

# 2026 Update in Hematology & Medical Oncology

14<sup>th</sup> Annual Comprehensive Board Review

March 13—16, 2026 • Live Virtual Course

Memorial Sloan Kettering  
Cancer Center

# Overview

**The Memorial Sloan Kettering Cancer Center 2026 Update in Hematology and Medical Oncology and 14<sup>th</sup> Annual Board Review is a four-day comprehensive course offering an in-depth, current review of the diagnosis, staging, and management of neoplastic diseases across both solid tumors and hematologic malignancies.** Expert-led lectures cover a wide spectrum of disease-specific topics, including gastrointestinal, gynecologic, thoracic, head and neck, genitourinary, soft tissue and skin, and central nervous system oncology, in addition to hematologic oncology.

The program will take place live over four days via Zoom. Each lecture will conclude with a live Q&A, allowing ample time for faculty to address participant questions.

## Objectives

- Define state-of-the-science in diagnosis, staging, and therapeutic management of solid tumor cancers and hematologic cancers.
- Discuss recent treatment advances in solid tumor and hematologic oncology and apply knowledge gained in modern clinical practice.
- Prepare for ABIM examinations in Medical Oncology and Hematology.

## Syllabus

Participants will receive access to an online syllabus after the course that includes recorded videos of the presentations as well as downloadable PDF versions of the faculty slide decks.

## Target Audience

This course is designed for medical oncology professionals — including physicians, nurses, pharmacists, advanced practice providers, fellows, and residents — seeking a comprehensive update in the field as well as those preparing for **American Board of Internal Medicine (ABIM)** certification and recertification examinations in Medical Oncology and Hematology.

## Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **35.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **35.00 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

## Registration Fees

**Discounted registration is available for specific groups.** If eligible, you will receive further instructions and a promotion code to use during registration. Full details are available on the course website.
