

The Memorial Sloan Kettering Cancer Alliance presents:

2nd Annual Advanced Practice Provider Oncology Symposium

March 21-22, 2020 • New York City
Memorial Sloan Kettering Cancer Center
Zuckerman Research Center

Memorial Sloan Kettering
Cancer Alliance

2nd Annual Advanced Practice Provider Oncology Symposium

The purpose of this symposium is to provide advanced practice providers (nurse practitioners and physician assistants) and nurses from MSK's Alliance institutions and other oncology centers of care the **latest information in new developments and innovations in cancer treatment, management and research**. The goals are to provide the tools the health care professionals need to **deliver state-of-the-art collaborative team care, improve patient outcomes, and enhance quality of life in patients with cancer**.

This course is intended for nurse practitioners, physician assistants, nurses and physicians who manage the care of the oncology patient. Please note that providers outside of the MSK Cancer Alliance are encouraged to attend this symposium.

Complimentary Networking Reception

Course attendees are invited to a complimentary reception immediately following the conclusion of day one, **Saturday, March 21, from 5:30-6:30 PM**, which will provide an opportunity to meet and interact with the course faculty and get to know other members of the community. RSVP during course registration.

Live Simulcast Available*

Unable to attend this course in person? We are pleased to offer a live simulcast for this symposium. CME credit is offered for the live simulcast and active participation is required throughout the course. We do hope you will attend in person but understand that can sometimes be a challenge, so we are happy to offer the live simulcast as an option. Registration for the simulcast is required; please select the "Live Simulcast" option during course registration. A link to view the Symposium will be emailed to you the day before the course begins.

*Please note that the live simulcast is only available to non-MSK attendees. MSK employees are welcome to register to attend this course in person.

MSK Cancer Alliance

The MSK Cancer Alliance is a collaborative relationship, leveraging bi-directional learning for mutual improvement. It is composed of MSK and a small number of high-quality, community healthcare systems seeking to be centers of excellence in their respective communities with a focus on clinical research and a culture of improvement.

The MSK Cancer Alliance strives to bridge the knowledge gaps between an academic comprehensive cancer center such as MSK and community hospitals in order to help facilitate the delivery of high-quality cancer care at the community level, an important need since most cancer care is delivered in the community setting.

2:15 PM Symposium Adjourn

This was the most well organized, inspiring, energizing conference I have ever attended.

Amazing conference with great content. The speakers were very knowledgeable and the topics were very useful.

I thoroughly enjoyed the conference. I look forward to attending again in the future.

Outstanding overall meeting with experts in their fields sharing practical information.

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **14.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

Registration

Registration Fees	Early*	General
Advanced Practice Providers (NPs, PAs, CRNAs), Residents and Fellows	\$350	\$450
Nurses and Other Healthcare Providers	\$125	\$225
Students (NP, PA, RN, MD)	\$75	\$175
Physicians (MDs, PhDs and DOs)	\$500	\$600
Industry Professionals**	n/a	\$1,050
Live Simulcast***	n/a	\$800

*Early registration expires February 20, 2020 (promotion code 20EAPPA).

**Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

***The live simulcast is only available to non-MSK attendees. MSK employees are welcome to register to attend this course in person.

Register online at: mskcc.org/appalliance

In-person course registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

- **MSK Alumni, MSK Cancer Alliance and Cancer Care Partner discounts available.** Please contact cme@mskcc.org for more information or a promotion code.
- **MSK employee registration is complimentary.** However, you must complete course registration in order to attend this course.

After your payment has been processed, no further promotional discount adjustments will be made to your registration. Please visit mskcc.org/appalliance for additional information and cancellation details.
