

OCTOBER 25-26

2019

2019 Annual

Cancer Treatment-Related Adverse Events Symposium

ROCKEFELLER RESEARCH LABORATORIES
430 East 67th Street
New York, NY

Memorial Sloan Kettering
Cancer Center

OVERVIEW

Systemic anticancer therapies (cytotoxic chemotherapies, targeted therapies, immunotherapies) have resulted in remarkable improvements in patient survival. Despite this remarkable success, the majority of patients will develop toxicities of various organ systems, which may impact overall health and activities of daily living, resulting in inconsistent antineoplastic therapy, all of which may affect clinical outcome. Therefore, prevention and management of untoward events is critical for the maintenance of quality of life and the optimization of anticancer therapies.

Educational Objectives

- Recognize the clinical presentation and impact on quality of life of treatment-related adverse events
- Understand mechanisms and interventions to prevent and treat adverse events
- Discuss procedures and clinical tools to assess treatment-related toxicities in cancer patients

Target Audience

The target audience for this symposium includes MDs, PAs, NPs, RNs, Pharmacists, and other professionals treating cancer patients and their associated symptoms.

SYMPOSIUM HIGHLIGHTS

- Therapy-related adverse events will affect the majority of cancer patients, resulting in increased cost, inconsistent dosing, and decreased quality of life.
- With increased survival and patients living longer on therapy, adverse events affecting quality of life and clinical outcome command attention.
- Lectures focused on immune-related adverse events will describe clinical presentation, diagnosis, and management strategies for the oncology healthcare provider.
- Up-to-date information will be presented on adverse event mechanisms and management from specialists in the most commonly affected organ systems.
- Practical strategies to maintain patients' quality of life and dose intensity will be highlighted for the most frequently occurring events.

Live Simulcast Available - We are pleased to offer a live simulcast option for this symposium. CME and ABIM MOC credit is offered for the live simulcast.

Endorsed by the
Multinational Association of Supportive Care in Cancer

MSK COURSE DIRECTOR

Mario E. Lacouture, MD
Member, Memorial Hospital
Dermatology Service

ORGANIZING COMMITTEE

Shari B. Goldfarb, MD
Assistant Attending,
Breast Medicine Service
Memorial Sloan Kettering Cancer Center

Douglas Johnson, MD
Member, Department of Medicine
Vanderbilt University Medical Center

Jarushka Naidoo, MD
Assistant Professor of Oncology
Attending, Lung and Immunotherapy
Sidney Kimmel Cancer Center
Johns Hopkins University

Michael L. Dougan, MD, PhD
Director of the Immunotherapy Mucosal
Inflammation Program,
Division of Gastroenterology
Massachusetts General Hospital

COURSE FACULTY

Tim Ahles, PhD

Psychologist, Behavioral Medicine Service
Memorial Sloan Kettering Cancer Center

Andrei Barasch, DDS, PhD, DABOM

Assistant Professor, Dentistry in Medicine
Weill Cornell Medical Center

Laura Cappelli, MD MHS

Assistant Professor of Medicine,
Department of Medicine,
Division of Clinical and Molecular Rheumatology
Johns Hopkins Medical Center

Maria Castells, MD

Associate Professor, Harvard Medical School
Division of Rheumatology, Immunology, and Allergy
Brigham and Women's Hospital

Kathryn Ciccolini, AGACNP-BC

Hematology/Oncology Service
Mount Sinai Hospital/ Rutenberg Cancer Center

Robert Daly, MD, MBA

Attending, Lung Service
Memorial Sloan Kettering Cancer Center

James Flory, MD

Assistant Professor,
Department of Healthcare Policy and Research
Weill Cornell Medical College
Assistant Attending, Endocrine Service
Memorial Sloan Kettering Cancer Center

Monica Girotra, MD

Associate Clinical Member, Endocrinology
Memorial Sloan Kettering Cancer Center
Weill Cornell Medical College

Ilya Glezerman, MD

Clinical Director, Nephrology Service
Memorial Sloan Kettering Cancer Center

Richard J. Gralla, MD

Professor, Department of Medicine (Oncology)
Director of Oncology Research for the
North Bronx Healthcare Network
Albert Einstein College of Medicine

Korey Jaben, MD

Assistant Attending, Ophthalmic Oncology Service
Assistant Professor,
Department of Healthcare Policy and Research
Memorial Sloan Kettering Cancer Center

Dorothy Keefe, MD

CEO Cancer Australia
Clinical Professor
University of Adelaide
Australia

Bernice Kwong, MD

Clinical Associate Professor, Dermatology Service
Director, Supportive Dermato-Oncology Program
Director, Inpatient Dermatology Consult Service
Stanford Cancer Center

Charles Loprinzi, MD

Consultant, Division of Medical Oncology,
Department of Oncology
Mayo Clinic

Jun Mao, MD

Chief, Integrative Medicine Service
Memorial Sloan Kettering Cancer Center

Javid Moslehi, MD

Director, Cardio-Oncology
Assistant Professor of Medicine, Cardiovascular Service
Vanderbilt University Medical Center

John Probasco MD

Medical Director, Inpatient General Neurology Service
Associate Professor of Neurology
Johns Hopkins Hospital

Vickie Shannon, MD

Member, Psychiatry
Professor, Department of Pulmonary Medicine,
Division of Internal Medicine
MD Anderson Cancer Center
Director of Pulmonary Rehabilitation
MD Anderson Cancer Center

Gerald Soff, MD

Chief, Hematology Service
Co-Director, Hematology-Oncology Fellowship
Memorial Sloan Kettering Cancer Center
Professor of Clinical Medicine
Weill Cornell Medical College

Anthony Yu, MD

Assistant Attending, Cardiology Service
Memorial Sloan Kettering Cancer Center

mskcc.org/AdverseEvents

Live Simulcast Available

We are pleased to offer a live simulcast option for this symposium. CME and ABIM MOC credit is offered for the live simulcast.

FRIDAY
OCTOBER 25

Registration & Breakfast	8:00 AM
Cytotoxic and Targeted Therapies – Session I MODERATOR: Shari Goldfarb, MD	
Welcome and Introduction: Importance of Adverse Events Mario E. Lacouture, MD	8:30 AM
Keynote Lecture Menopausal Symptom Management in Breast Cancer Survivors Charles Loprinzi, MD	8:45 AM
Nausea and Vomiting Richard J. Gralla, MD	9:15 AM
Integrative Medicine in Oncology Jun Mao, MD	9:45 AM
Break	10:15 AM
VTE and Treatment-Related Coagulopathies Gerald A. Soff, MD	10:45 AM
Cardiac Toxicities Anthony Yu, MD	11:15 AM
Sexual Dysfunction in Women Shari Goldfarb, MD	11:45 AM
Lunch	12:10 PM
Cytotoxic and Targeted Therapies – Session II MODERATOR: Mario Lacouture, MD	
Misery Loves Company → AE Symptom Clusters Robert Daly, MD	1:00 PM
Hypersensitivity Reactions Mariana Castells, MD, PhD	1:30 PM
Ocular Toxicities Korey Jaben, MD	2:00 PM
Break	2:30 PM
Mucositis and Stomatitis Andrei Barasch, DDS, PhD, DABOM	3:00 PM
Treatment-Related Psychiatric and Cognitive Disorders Tim Ahles, PhD	3:30 PM
Dermatologic Toxicities from Cytotoxic and Targeted Agents Bernice Kwong, MD	4:00 PM
Immune Related Endocrine Toxicities Monica Girotra, MD	4:30 PM
Adverse Event Triage and Acute Evaluations Kathryn Ciccolini, AGANCP-BC, NP	5:00 PM
Panel Discussion All Faculty	5:15 PM
Adjourn	5:30 PM

Networking Reception

Join the course faculty for a networking reception from 5:30 - 6:30 PM at Rockefeller Research Laboratories. Hors d'oeuvres and refreshments will be served.

SATURDAY
OCTOBER 26

Breakfast	7:30 AM
Immunotherapy-Related Adverse Events – Session I MODERATOR: Jarushka Naidoo, MBBCh	
Welcome and Introduction: Multidisciplinary AE Management Jarushka Naidoo, MBBCh	8:00 AM
Immune-Related GI Adverse Events Michael L. Dougan, MD, PhD	8:25 AM
Keynote Lecture Research on GI Toxicities, Past, Present and Future Dorothy Keefe, MD	8:50 AM
Immune-Related Pulmonary Events Vickie Shannon, MD	9:20 AM
Immune-Related Cardiac Events Javid Moslehi, MD	9:50 AM
Panel Discussion All Faculty	10:15 AM
Break	10:30 AM
Immunotherapy-Related Adverse Events – Session II MODERATOR: Douglas Johnson, MD	
Severe Immune-Related Adverse Events Douglas Johnson, MD	11:00 AM
Immune-Related Adverse Events - Kidney Ilya Glezerman, MD	11:25 AM
Immune-Related Neurologic Events John Probasco, MD	11:50 AM
Immune-Related Dermatologic Toxicities Mario E. Lacouture, MD	12:15 PM
Immune-Related Rheumatic Disorders Laura Cappelli, MD MHS	12:35 PM
Hyperglycemia and Cushing Disease James Flory, MD	12:50 PM
Panel Discussion All Faculty	1:15 PM
Closing Remarks Mario Lacouture, MD	1:30 PM
Adjourn	1:45 PM

REGISTRATION

Registration Fees	Early*	General
Physicians (MDs, PhDs and DOs)	\$450	\$500
Advanced Practice Providers	\$450	\$500
Pharmacists, Nurses and Other Healthcare Providers	\$300	\$350
Fellows and Residents	\$250	\$300
Live Simulcast	\$650	\$700
Industry Professionals**	\$825	\$875

*Early registration rates expire September 13, 2019.

**Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Register online:

mskcc.org/AdverseEvents

Course registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

- **MSK CME offers a discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners.** If you are a member of one of these groups, please contact cme@mskcc.org for more information.
- **MSK employee registration is complimentary.** However, you must complete course registration in order to attend this course.

Symposium Location

Memorial Sloan Kettering Cancer Center
Rockefeller Research Laboratories
430 East 67th Street
New York, NY

Accommodations

MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the vicinity of MSK with discounted rates, visit: mskcc.org/cme

ROCKEFELLER RESEARCH
LABORATORIES

ACCREDITATION

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **12.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **12.50 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
