CONTEMPORARY MANAGEMENT OF
COMPLEX SKIN CANCERS

NOVEMBER 2-3, 2018
Zuckerman Research Center
New York

mskcc.org/SkinCancerCourse

Includes Reflectance Confocal Microscopy Workshop
The purpose of this course is to provide the attendee with a multidisciplinary management approach for patients with skin cancer, including basal cell carcinoma, squamous cell carcinoma, merkel cell carcinoma, melanoma and other complex skin cancers. The topics will focus on advances in epidemiology, pathology and imaging, medical and surgical management and radiation therapy. Complex skin cancer cases will be presented and discussed in a tumor board style with a multidisciplinary panel of experts.

Educational Objectives

- Describe melanoma and non melanoma skin cancer incidence and behavior
- Define factors contributing to behavior and outcome of skin cancers
- Define characteristics of skin cancers that require aggressive treatment
- Understand benefits, limitations, and integration of different modalities used in the treatment of skin cancers.
- Review novel approaches to optimize surgical treatment of skin cancers
- Assess role and variety of radiotherapeutic approaches to complex skin cancers
- Review role of biological therapy in the treatment of advanced skin cancers
- Examine the optimal approaches toward reconstruction of defects resulting from resection of skin cancers.

Reflectance Confocal Microscopy Workshop

PRE-REGISTRATION REQUIRED
SPACE IS LIMITED

CME credit will not be offered for the Reflectance Confocal Microscopy Workshop.

Reflectance confocal microscopy (RCM) is a non-invasive device that images skin lesions at high resolution in vivo similar to traditional pathology. RCM has shown high sensitivity and specificity for detection of skin cancers (melanocytic and non-melanocytic). RCM has recently been granted Category I Current Procedural Terminology (CPT) reimbursement codes by the Centers for Medicare and Medicaid Services. RCM is now advancing as an add-on diagnostic tool to dermoscopy in clinics in the U.S., for early detection of skin cancers, while sparing unnecessary benign biopsies. To expand RCM role in the clinical practice, there is a need for training a new generation of physicians - the future Confocalists.

Attendees can select one of the following sessions during course registration:

- Friday, November 2 | 4:30 PM – 5:30 PM
- Saturday, November 3 | 7:15 AM – 8:15 AM

For more information and registration:
mskcc.org/skincancercourse

Target Audience

The target audience includes physicians and allied health professionals, who care for patients with skin cancer, including dermatologists, surgical and medical oncologists, otolaryngologists, ophthalmologists, general surgeons, plastic surgeons, pathologists and radiation oncologists.

Course Overview

The purpose of this course is to provide the attendee with a multidisciplinary management approach for patients with skin cancer, including basal cell carcinoma, squamous cell carcinoma, merkel cell carcinoma, melanoma and other complex skin cancers. The topics will focus on advances in epidemiology, pathology and imaging, medical and surgical management and radiation therapy. Complex skin cancer cases will be presented and discussed in a tumor board style with a multidisciplinary panel of experts.

Educational Objectives

- Describe melanoma and non melanoma skin cancer incidence and behavior
- Define factors contributing to behavior and outcome of skin cancers
- Define characteristics of skin cancers that require aggressive treatment
- Understand benefits, limitations, and integration of different modalities used in the treatment of skin cancers.
- Review novel approaches to optimize surgical treatment of skin cancers
- Assess role and variety of radiotherapeutic approaches to complex skin cancers
- Review role of biological therapy in the treatment of advanced skin cancers
- Examine the optimal approaches toward reconstruction of defects resulting from resection of skin cancers.

MSK Course Directors

Kishwer S. Nehal, MD
Director, Mohs Micrographic and Dermatologic Surgery
Attending Physician, Dermatology Service
Department of Medicine

Bhuvanesh Singh, MD, PhD
Director, Laboratory of Epithelial Cancer Biology
Attending Surgeon, Head & Neck Service
Department of Surgery

Target Audience

The target audience includes physicians and allied health professionals, who care for patients with skin cancer, including dermatologists, surgical and medical oncologists, otolaryngologists, ophthalmologists, general surgeons, plastic surgeons, pathologists and radiation oncologists.
Course Faculty

Invited Faculty

Kelly Harms, MD, PhD
Cutaneous Surgery and Oncology
Department of Dermatology
Michigan Medicine

MSK Course Faculty

Charlotte E. Ariyan, MD, PhD
Associate Attending Surgeon
Gastric and Mixed Tumor Service
Division of General Surgical Oncology
Department of Surgery

Christopher A. Barker, MD
Director of Clinical Investigation
Assistant Attending Radiation Oncologist
Department of Radiation Oncology

Edmund K Bartlett, MD
Assistant Attending
Department of Surgery

Danielle Bello, MD
Assistant Attending
Department of Surgery

Klaus J. Busam, MD
Attending Pathologist
Surgical Pathology service
Department of Pathology

Chih-Shan Jason Chen, MD, PhD
Attending Physician
Director of Dermatologic Surgery
Hauppauge Dermatology Section
Department of Medicine

Jennifer R. Cracchiolo, MD
Assistant Attending
Head and Neck Service
Department of Surgery

Lara A. Dunn, MD
Assistant Attending
Head and Neck Oncology Service
Department of Medicine

Jasmine H. Francis, MD
Assistant Attending
Ophthalmic Oncology Service
Department of Surgery

Alan L. Ho, MD, PhD
Assistant Attending Physician
Head and Neck Service
Division of Solid Tumor Oncology
Department of Medicine

Travis Hollman, MD, PhD
Associate Attending Pathologist
Surgical Pathology Service
Department of Pathology

Manu Jain, MD
Optical Imaging Specialist
Dermatology Service
Department of Medicine

Laura Leddy, MD
Assistant Attending
Urology Service
Department of Surgery

Erica H. Lee, MD
Assistant Attending Physician
Dermatology Service
Department of Medicine

Mario M. Leitao, Jr., MD
Attending Physician
Fellowship Director, Gynecology Service
Director, Minimal Access and Robotic Surgery Program
Department of Surgery

Cecilia Lezcano, MD
Assistant Attending Pathologist
Department of Pathology

Michael A. Marchetti, MD
Assistant Attending
Dermatology Service
Department of Medicine

Michael A. Postow, MD
Assistant Attending Physician
Melanoma and Immunotherapeutics Service
Department of Medicine

Milind Rajadhyaksha, PhD
Optical Engineer
Dermatology Service
Department of Medicine

Anthony Rossi, MD
Assistant Attending Physician
Dermatology service
Department of Medicine

C. Jillian Tsai, MD, PhD
Director of Head and Neck Radiation Oncology Research
Assistant Attending
External Beam Radiotherapy Service
Department of Radiation Oncology

Richard J. Wong, MD
Chief Attending Physician
Head and Neck Service
Department of Surgery

Vivian T. Yin, MD, MPH
Assistant Attending
Ophthalmic Oncology Service
Department of Surgery

Scientific Agenda

Friday, November 2

7:30 AM  Registration & Breakfast

8:00 AM  Introduction & Welcome
          Kishwer S. Nehal, MD
          Bhuvanesh Singh, MD, PhD

BASAL CELL CARCINOMA • 8:15 AM – 10:30 AM
MODERATOR: Kishwer S. Nehal, MD

8:15 AM  Current Landscape - Anthony Rossi, MD

8:30 AM  DEBATE: Locally Advanced BCC Management
          Surgery - Kelly Harms, MD, PhD

8:50 AM  Hedgehog Inhibitor - Alan L. Ho, MD, PhD

9:05 AM  Discussion

9:15 AM  DEBATE: BCC in Elderly: To Treat or Not to Treat

9:20 AM  Observation - Erica H. Lee, MD

9:35 AM  Treatment - Chih-Shan Jason Chen, MD, PhD

9:50 AM  Discussion

10:00 AM  TUMOR BOARD - BCC
          Multidisciplinary Challenging Cases – Audience Response Session; Q&A
          All Faculty

10:30 AM  Break

LENTIGO MALIGNA MELANOMA • 10:45 AM – 12:30 PM
MODERATOR: Klaus J. Busam, MD

10:45 AM  Surgical Approach - Kishwer S. Nehal, MD

11:00 AM  Pathology Dilemmas - Klaus J. Busam, MD

11:15 AM  DEBATE: Lentigo Maligna Management: Scalpel vs Cream

11:20 AM  Staged Excision - Erica H. Lee, MD

11:35 AM  Imiquimod - Anthony Rossi, MD

11:50 AM  Discussion

12:00 PM  TUMOR BOARD - LMM
          Multidisciplinary Challenging Cases – Audience Response Session; Q&A
          All Faculty

12:30 PM  Lunch

SQUAMOUS CELL CARCINOMA • 1:45 PM – 4:15 PM
MODERATOR: Bhuvanesh Singh, MD, PhD

1:45 PM  AJCC 8th Edition Staging Update - Travis Hollman, MD, PhD

2:00 PM  DEBATE: SLNB: Case Presentation - Bhuvanesh Singh, MD, PhD

2:05 PM  For - Richard J. Wong, MD

2:15 PM  Against - Jennifer R. Cracchiolo, MD

2:25 PM  Questions/Rebuttal

**Saturday, November 3**

**Reflectance Confocal Microscopy Workshop** (Session I)
4:30 PM – 5:30 PM | Room 105
Anthony Rossi, MD, Milind Rajadhyaksha, PhD, Manu Jain, MD & Chih-Shan Jason Chen, MD, PhD

* Pre-registration for the Confocal Workshop is required - space is limited. Please note that MSK will not be offering CME credit for this workshop.

**Reflectance Confocal Microscopy Workshop** (Session II)
7:15 AM – 8:15 AM | Room 105
Anthony Rossi, MD, Milind Rajadhyaksha, PhD, Manu Jain, MD & Chih-Shan Jason Chen, MD, PhD

* Pre-registration for the Confocal Workshop is required - space is limited. Please note that MSK will not be offering CME credit for this workshop.

**MERKEL CELL CARCINOMA** 8:30 AM – 10:00 AM
MODERATOR: Christopher A. Barker, MD

8:30 AM | Merkel Cell Carcinoma: The University of Michigan Perspective - Kelly Harms, MD, PhD |
9:00 AM | **DEBATE**: Management of SLN+ Patient - Christopher A. Barker, MD |
9:05 AM | Speaker 1 - Kelly Harms, MD, PhD |
9:20 AM | Speaker 2 - Christopher A. Barker, MD |
9:35 AM | TUMOR BOARD - MCC Multidisciplinary Challenging Cases - Audience Response Session; Q&A All Faculty |
10:00 AM | Break |

**GENITAL CUTANEOUS CARCINOMAS** 10:15 AM – 11:30 AM
MODERATOR: Anthony Rossi, MD

10:15 AM | Mohs Micrographic Surgery for Penile Sparing Surgery Anthony Rossi, MD |
10:30 AM | Urology - Penile Reconstruction Laura Leddy, MD |
10:45 AM | Pathology - Extramammary Paget Disease Travis Hollman, MD, PhD |
11:00 AM | Gynecologic Surgery - Vulvar Cutaneous Carcinoma Mario M. Leitao, Jr., MD |
11:15 AM | Q&A |

**OPHTHALMIC TUMORS** 11:30 AM – 12:30 PM
MODERATOR: Vivian T. Yin, MD, MPH

11:30 AM | Periocular Malignancies: Special Considerations Vivian T. Yin, MD, MPH |
11:50 AM | Ocular Surface Malignancies Jasmine H. Francis, MD |
12:05 PM | Techniques for Eyelid Reconstructions Vivian T. Yin, MD, MPH |
12:20 PM | Q&A |
12:30 PM | Lunch |

**MELANOMA** 1:30 PM – 4:00 PM
MODERATOR: Charlotte E. Ariyan, MD, PhD

1:30 PM | Update on Melanoma: Surgical Margins Charlotte E. Ariyan, MD, PhD |
1:45 PM | Update on Melanoma: Lymph Nodes Danielle Bello, MD |
2:00 PM | Who Should Get Adjuvant Therapy in Melanoma? Michael A. Postow, MD |
2:15 PM | Novel Diagnostic Tests to Assess Genomics Cecilia Lezcano, MD |
3:00 PM | **DEBATE**: Should Molecular Testing be Done on All Patients For - Edmund K Bartlett, MD, Against - Michael A. Marchetti, MD |
4:00 PM | Symposium Adjourn |

Register Online:
mskcc.org/SkinCancerCourse

Registration includes continental breakfast, lunch, and refreshment breaks.
Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary needs.

- **30% Discounted Rate for MSK Alumni and MSK Alliance Members:**
  MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a CME course. Please contact cme@mskcc.org for a promotion code or more information.

- **MSK Staff Registration:** Registration is complimentary for MSK staff. However, you must register online: mskcc.org/SkinCancerCourse

Accreditation Statement
Memorial Sloan Kettering Cancer Center (MSK) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement
MSK designates this live activity for a maximum of 13.00 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosure
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

Contact
Memorial Sloan Kettering Cancer Center
Office of Continuing Medical Education
W: mskcc.org/cme
E: cme@mskcc.org

*Special early rate expires: August 10, 2018

**Industry professionals may attend CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Course Location & Accommodations

Course Location
Memorial Sloan Kettering Cancer Center
Zuckerman Research Center
417 East 68th Street
New York, NY 10065

Hotels
MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the area of MSK with discounted rates, please visit: mskcc.org/cme
