

LIVE VIRTUAL COURSE

3rd Annual Basic Course in Reflectance Confocal Microscopy

NON-INVASIVE DIAGNOSIS OF SKIN CANCER

September 13, 2020
8:50 AM - 5:50 PM (EST)

We are excited to announce that this course will now be delivered as a new live virtual experience. For details and registration:
mskcc.org/confocalcourse

Memorial Sloan Kettering
Cancer Center

After the immense success of our first two courses, we are excited to be back with our **3rd Annual Basic Course in Reflectance Confocal Microscopy (RCM)**, which will now take place as a **new live virtual experience**.

Confocal microscopy is a non-invasive imaging modality that visualizes skin lesions with cellular resolution resolution both in vivo and ex vivo. This course is tailored for both novice and intermediate confocal users that will focus on basics such as nomenclature and diagnosis to more advanced topics such as cutaneous cancer margin mapping and integrating confocal into your workflow.

The target audience includes clinical and non clinical practitioners, dermatologists, dermatologic surgeons, pathologists and researchers. For this course, we have assembled a renowned, national and international, expert faculty.

Program Highlights:

- Basics: Fundamentals of reflectance confocal microscopy, terminology and diagnostic features for neoplastic lesions
- Demonstration on in vivo and ex vivo device
- Practical aspect of integrating RCM in the clinical, pathologic and dermatological surgery workflow (case-based)
- Updates on billing codes, signing-out reports
- Fun and interactive quizzes to test your knowledge
- Ex vivo confocal microscopy in dermatology (**New Addition!**)

New Live Virtual Experience

We are excited to announce that this course will now be delivered as a virtual experience. By registering for the live virtual course, you will be able to **view presentations, hear live audio, and interact online**.

All sessions presented live on Sunday, September 13, will be recorded and made available for viewing after the course. Resources (hand outs) will be available to all attendees online. CME credit will be offered for this course and a certificate will be available after a post-course evaluation is complete.

This new live virtual course will be fully web-based, so all you will need is a computer, phone, or tablet and an internet connection. Access details will be emailed to all attendees before the course.

New Reduced Fees (please see page 5 for details)

MSK Course Directors

Manu Jain, MD

Optical Imaging Specialist
Assistant Attending
Dermatology Service
Department of Medicine

Anthony Rossi, MD

Assistant Attending Physician
Dermatology Service
Department of Medicine

Invited Course Faculty

Giovanni Pellacani, MD

Chairman, Dermatology
Dean of Faculty, Medicine and Surgery
Professor of Dermatology
University Hospital, Policlinico of Modena

Babar K. Rao, MD

Professor of Dermatology and Pathology,
Rutgers RWJ Medical School
Clinical Associate Professor of Dermatology,
Weill Cornell Medical College
Founder, Rao Dermatology
Founder, NIDiskin

MSK Course Faculty

Kishwer Nehal, MD

Director, Mohs Micrographic Surgery and Dermatologic Surgery
Attending Physician
Dermatology Service
Department of Medicine

Milind Rajadhyaksha, PhD

Head, Optical Imaging Laboratory
Associate Member
Dermatology Service
Department of Medicine

Demo and Quiz Faculty

Saud Aleissa, MD

King Abdulaziz University
Jeddah, Saudi Arabia
Memorial Sloan Kettering Cancer Center

Ucalene Harris, BS

Memorial Sloan Kettering Cancer Center

Konstantinos Liopyris, MD

1st Department of Dermatology
National and Kapodistrian University
of Athens, Greece
'Andreas Sygros' Hospital for Cutaneous
and Venereal Diseases
Memorial Sloan Kettering Cancer Center

Jilliana Monnier, MD

Dermatology department
Aix-Marseille University
Marseille, France

Cristian Navarrete, MD

Department of Dermatology
Escuela de Medicina
Pontificia Universidad Catolica de Chile
Santiago, Chile

Aditi Sahu, PhD

Research Scholar
Dermatology Service
Memorial Sloan Kettering Cancer Center

SCHEDULE*

8:50 AM	Virtual Course Check-in
9:00 AM	Welcome and Introduction Manu Jain, MD Anthony Rossi, MD
Basics 1: Fundamentals, Terminology, Diagnosing Skin Cancer Part-1 (Melanocytic Lesions)	
9:10 AM	Pre-test Kahoot! Quiz Aditi Sahu, PhD Ucalene Harris, BS
9:40 AM	History and Fundamentals Milind Rajadhyaksha, PhD
10:00 AM	Terminology Manu Jain, MD
10:50 AM	Nevi Giovanni Pellacani, MD
11:20 AM	Break
11:25 AM	Dysplastic Nevi and Melanoma Giovanni Pellacani, MD
12:15 PM	Melanocytic Kahoot! Quiz Cristian Navarrete, MD Konstantinos Liopyris, MD
12:25 PM	Lunch with The Faculty Grab your lunch and join the faculty for an open discussion/Q&A!
12:40 PM	Confocal Image Acquisition Demo: Vs1500, Vs3000, Vs2500 Pre-recorded Videos Available: <ul style="list-style-type: none"> • Tips to Get Started and Vs1500 Image Acquisition Demo (15 MIN) • Vs3000 Image Acquisition Demo (10 MIN) • Ex Vivo Confocal Vs2500 Demo (10 MIN) • Q&A with Faculty (5 MIN)
Basics 2: Diagnosing Skin Cancer Part-2 (Non-melanocytic Lesions)	
1:20 PM	Squamous Cell Carcinoma and Actinic Keratosis Babar Rao, MD
1:50 PM	Basal Cell Carcinoma Anthony Rossi, MD
2:20 PM	Benign Non-melanocytic Lesions (SK, SL, LPLK, DF) Manu Jain, MD
2:50 PM	Non-Melanocytic lesions Kahoot! Quiz Cristian Navarrete, MD Konstantinos Liopyris, MD
3:00 PM	Break

*All times are Eastern Standard Time (EST)

Memorial Sloan Kettering
Cancer Center

SCHEDULE*

Practical Aspect of Integrating RCM in Clinics

- 3:05 PM **Billing**
Anthony Rossi, MD
- 3:15 PM **Remote Report Singing-out**
Babar Rao, MD
Manu Jain, MD
- 3:30 PM **Integrating RCM in Dermatology Clinical Work-flow:
Evaluating Confocal Cases in Real-time Through Vianet**
Manu Jain, MD
Babar Rao, MD
Giovanni Pellacani, MD
- 4:15 PM Break
- 4:20 PM **Integrating RCM in Dermatological Surgery - Clinical:
Case Based Discussion**
Kishwer Nehal, MD (LM)
Anthony Rossi, MD (Residual BCC)

NEW SESSION! Ex Vivo Confocal in Dermatology

- 4:50 PM **Role of Ex Vivo Confocal in Dermatology**
Manu Jain, MD
Milind Rajadhyaksha, PhD
- 5:20 PM **Wrap-up Kahoot! Quiz (Case-based Diagnosis)**
Cristian Navarrete, MD
Konstantinos Liopyris, MD
- 5:50 PM Adjourn
-

*All times are Eastern Standard Time (EST)

Memorial Sloan Kettering
Cancer Center

Register online: mskcc.org/confocalcourse

Registration Fees	Early Rate*	General
Physicians (MDs, PhDs and DOs)	\$250	\$300
Advanced Practice Providers	\$200	\$250
Nurses, Techs and Other Healthcare Providers	\$100	\$150
Residents and Fellows	\$25	\$75
Industry Professionals**	n/a	\$435

***Early registration rates expire July 10, 2020.**

****Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.**

By registering for the live virtual course, you will be able to view presentations, hear live audio, and interact online. All sessions presented live on September 13 will be recorded and made available for viewing after the course. Resources (hand outs) will be available to all attendees online. CME credit will be offered for this course and a certificate will be available after a post-course evaluation is complete. This new live virtual course will be fully web-based, so all you will need is a computer, phone, or tablet and an internet connection. Access details will be emailed to all attendees before the course.

Registration Discounts/Promotions

- MSK CME offers a discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners. If you are a member of one of these groups, please contact cme@mskcc.org for more information.
- MSK employee registration is complimentary. However, you must complete course registration in order to attend this course. If you are registered for this course and are unable to attend, please email cme@mskcc.org.

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **8.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
