Course Overview
The purpose of this course is to provide clinicians, scientists, and students with an overview of the ways that exciting progress in imaging technologies and computer science combined with changes in healthcare delivery will impact the future of dermatology. There will be ample time for questions and discussions throughout the sessions.

Educational Objectives
• Understand the opportunities and barriers to leveraging computer informatics for the diagnosis of skin cancers
• Understand the benefits of and challenges to the integration of dermatologic photography with electronic medical records (EMR)
• Understand the benefits, limitations and legal barriers of teledermatology

MSK Course Directors
Allan Halpern, MD, MS  
Chief, Dermatology Service  
Memorial Sloan Kettering Cancer Center

Steven Q. Wang, MD  
Head, Basking Ridge Dermatology Section  
Director of Dermatologic Surgery  
Dermatology Basking Ridge  
Memorial Sloan Kettering Cancer Center

Target Audience
The target audience for this course includes clinicians, researchers, students and industry motivated to anticipate and participate in the application of digital technology for dermatologic care.

Course Design
The course will consist of a series of presentations followed by panel discussions and Q&A with faculty. Please note that only lectures scheduled in the ‘Morning CME Session’ from 8:30 AM-12:30 PM are eligible for AMA PRA Category 1 Credits™.

New! Live Simulcast Available
Unable to attend this course in person? We are pleased to offer non-MSK employees a live simulcast option for this course. CME credit for the ‘Morning CME Session’ will be offered and pre-registration is required: mskcc.org/derminformatics

For course details and registration:

CME SESSION FACULTY

Daniel Mark Siegel, MD, MS
Clinical Professor of Dermatology
SUNY Downstate
Brooklyn, NY

Harald Kittler, MD
Department of Dermatology
Medical University of Vienna
Vienna, Austria

Peter Soyer, MD, FACC, FAHMS
Chair and Director
Dermatology Research Centre
The University of Queensland (UQ) Diamantina Institute
Translational Research Institute
Dermatology Department at the Princess Alexandra Hospital
Queensland, Australia

Li Hang, MD
Director
Dermatology Department
Peking University First Hospital
Beijing, China

Justin M. Ko, MD MBA
Director and Chief
Medical Dermatology for Stanford Health Care
Stanford, CA

Sameer Gupta, MD MPhil
Dermatology Resident, Harvard Combined Dermatology Program
Cofounder, Lucid Dermatology
Boston, MA

ACCREDITATION

Accreditation Statement
MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement
MSK designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosure
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
## AFTERNOON INDUSTRY SESSION

The ‘Afternoon Industry Session’ from 12:30-5:00 pm is **NOT** eligible for **AMA PRA Category 1 Credits™**.

*Industry professionals may attend CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

REGISTER ONLINE: mskcc.org/derminformatics

Course registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

• MSK CME offers a discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners. If you are a member of one of these groups, please contact cme@mskcc.org for more information.

• MSK employee registration is complimentary. However, you must complete course registration in order to attend this course.

LOCATION

Memorial Sloan Kettering Cancer Center
Zuckerman Research Center
417 East 68th Street
New York, NY

ACCOMMODATIONS

MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the vicinity of MSK with discounted rates, please visit: mskcc.org/cme

Memorial Sloan Kettering gratefully acknowledges the following organizations for providing educational grants and financial support for this live activity:

3Gen, Inc.
Canfield Scientific, Inc.
IBM
Triage
TRANSFORMING DERMATOLOGY IN THE DIGITAL ERA 2019
