Dermoscopy Intermediate Course

FRIDAY-SATURDAY
OCTOBER 6-7

OVERVIEW

Dermoscopy permits the observer to **visualize skin structures located below the stratum corneum** that are not visible to the unaided eye. The morphology visualized through dermoscopy has led to **improve clinical diagnostic accuracy with increased sensitivity and specificity for the detection of cutaneous malignancies**.

This highly anticipated, 17th annual course is designed to **educate clinicians on the morphologic features seen with dermoscopy that help differentiate skin cancer from benign lesions**. Lectures will be dispersed with **Interactive tests and games** throughout the program to help reinforce content learned.

OBJECTIVES

By attending this course, learners will be able to:

- Outline a logical and easy to follow framework for the dermoscopic evaluation of cutaneous lesions.
- Identify the features of both melanocytic and non-melanocytic lesions.
- Describe a management approach, based on dermoscopic findings, to correctly identify lesions requiring biopsy.

TARGET AUDIENCE

The course is intended for Dermatologists, Family Physicians, General Internists, Nurse Practitioners and Physician Assistants

MSK COURSE DIRECTOR

ASHFAQ A. MARGHOOB, MD

Attending Physician
Director of Clinical Dermatology
Memorial Sloan Kettering Cancer Center
Hauppauge, New York

INVITED COURSE FACULTY

RALPH P. BRAUN, MD

Consulting Staff
Department of Dermatology
University Hospital Zürich
Zürich, Switzerland

CRISTIAN NAVARRETE-DECHENT, MD

Attending Physician
Melanoma and Skin Cancer Unit,
Department of Dermatology
Pontificia Universidad Catolica de Chile
Santiago, Chile

HAROLD S. RABINOVITZ, MD

Skin & Cancer Associates
Plantation, Florida
Professor of Dermatology
Medical College of Georgia

Memorial Sloan Kettering Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all financial relationships with ineligible companies (commercial interests). All relevant financial relationships have been mitigated prior to the commencement of the activity.

LOCATION

This course will be held **in-person only** (no virtual option will be available). While MSK requests that institutional guests are vaccinated against COVID-19, we are no longer requiring proof of vaccination.

**Memorial Sloan Kettering Cancer Center
Zuckerman Research Center
417 East 68th Street, New York, NY**

SYLLABUS

Registered attendees will receive access to an **online syllabus after the course**, which includes select PDFs of the faculty presentations (slides) and handouts from the course.

ACCREDITATION

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **14.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

"I love the course and have attended it on at least 4 or 5 occasions over the years. I find it relevant to my everyday practice ... the lecturers are wonderful and so clearly excited about what they can do and how they can share it."

"Wonderful humor and warmth between speakers makes me want to return year after year. The games helped me focus my attention on learning pattern recognition."

"I thoroughly enjoyed this program and think it will greatly benefit me as a clinician. It has helped me set up fundamental skills for dermatoscopic evaluation and will continue to use those skills daily ... I will be able to improve my diagnosis and treatment for malignant and non-malignant entities."

Schedule

Friday, October 6, 2023

7:00 AM	Course Check-in and Breakfast	
8:00 AM	Introduction and Welcome Ashfaq A. Marghoob, MD	
8:30 AM	Principles of Dermoscopy (NPD, CPD, LPD, UV) Cristian Navarrete-Dechent, MD	
9:00 AM	Dermoscopy Histopathology Correlations Ralph P. Braun, MD	
10:00 AM	PRE-TEST Ashfaq A. Marghoob, MD	
10:30 AM	Break	
11:00 AM	2-Step Algorithm Ralph P. Braun, MD	
11:30 AM	Nevus Patterns in Context Ashfaq A. Marghoob, MD	
12:00 PM	SK/Lentigo, DF, Angioma Cristian Navarrete-Dechent, MD	
12:30 PM	Lunch Break	
1:30 PM	Other Benign Tumors: IDN, CCA, Seb Hyp, Poroma, JXG, PG, etc. Harold S. Rabinovitz, MD	
2:00 PM	Structures Associated with Melanoma Ashfaq A. Marghoob, MD	
2:45 PM	Break	
3:15 PM	AK, SCC, LPLK Harold S. Rabinovitz, MD	
4:00 PM	BCC Cristian Navarrete-Dechent, MD	
4:30 PM	KAHOOT! CASES Harold S. Rabinovitz, MD	
4:55 PM	Closing Ashfaq A. Marghoob, MD	
5:00 PM	Adjourn	

Exhibitor room available in Zuckerman Room 105
during lunch and breaks.

Saturday, October 7, 2023

7:00 AM	Breakfast	
8:00 AM	Introduction and Welcome Ashfaq A. Marghoob, MD	
8:05 AM	Approach to Evaluating Facial Lesions Cristian Navarrete-Dechent, MD	
8:30 AM	Facial Lesions with a Lesson Harold S. Rabinovitz, MD	
9:00 AM	Approach to Evaluating Volar Lesions Ashfaq A. Marghoob, MD	
9:30 AM	KAHOOT! CASES Cristian Navarrete-Dechent, MD	
10:00 AM	Break	
10:30 AM	Other Malignant Tumors (Merkel, AFX, MF, Paget's, etc.) Cristian Navarrete-Dechent, MD	
11:00 AM	Approach to Evaluating Nail Unit Lesions Ralph P. Braun, MD	
11:30 AM	Difficult Cases That Taught Me Lessons Harold S. Rabinovitz, MD	
12:00 PM	Lunch Break	
1:00 PM	Infection & Infestations Cristian Navarrete-Dechent, MD	
1:45 PM	Tricoscopy Ralph P. Braun, MD	
2:15 PM	KAHOOT! CASES Ralph P. Braun, MD Cristian Navarrete-Dechent, MD	
2:30 PM	Break	
3:00 PM	POST-TEST: CASE-BASED LEARNING Ashfaq A. Marghoob, MD	
4:45 PM	Closing Ashfaq A. Marghoob, MD	
5:00 PM	Adjourn	

Exhibitor room available in Zuckerman Room 105
during lunch and breaks.

Please note that marketing and promotion by ineligible
companies is strictly prohibited outside of the Exhibit Room.
