# OVERVIEW

Evidence-based practice (EBP) has shown to reduce the time in which research takes to reach the bedside. This first-of-its-kind conference at MSK will include both podium and poster presentations designed to showcase actual examples of integrating evidence-based decision making into daily clinical practice.

Presentations will include a summary of the high-quality evidence used to make a recommendation for a change in practice, how the change was implemented and measured. A virtual option is available if you are unable to join us in person.

## *Keynote Address*

*Moving Evidence-based Practice to the Next Level;  
The Critical Necessity of Interprofessional  
Engagement and Partnership.*

### **Lynn Gallagher-Ford, PhD, RN, NE-BC, DPFNAP, FAAN**

Chief Operating Officer and Clinical Core Director  
Helene Fuld National Trust Institute for Evidence-based Practice in Nursing and Healthcare  
The Ohio State University College of Nursing

---

## **Educational Objectives**

- Identify methods used to gather high-quality evidence in order to make a practice change
- Recognize successful implementation strategies for change management
- Illustrate the importance of demonstrating the return on investment for evidence-based change
- Discuss strategies used to translate research into daily practice

## **Who Should Attend**

This conference is designed for healthcare professionals of all disciplines including nurses, advanced practice providers, physicians, pharmacists, dieticians, social work, physical therapists, occupational therapists, respirator therapists or any other licensed clinical practitioner interested in learning more about evidence-based healthcare and how to integrate it into their practice.

**Safety Precautions Due to COVID-19**

The MSK CME team is closely monitoring the impact of COVID-19 on our ability to host in-person events. We thank you for your cooperation as we work together to meet the challenges posed by Covid-19. All registrants will be notified if there are any changes including a switch to a virtual only format. **Your health and safety, and that of our patients and employees, is our highest priority.** Please view the current Health & Safety Guidelines on our website [mskcc.org/EBP2022](https://mskcc.org/EBP2022).

**\*In-person Attendance Requirements**

**All in person attendees at MSK CME events must be fully vaccinated against COVID-19 at least two (2) weeks prior to the event.** A copy of your COVID-19 vaccination card(s) must be uploaded during registration. All in person attendees are required to wear masks at all times at all MSK locations (regardless of vaccination status). Please view the current Health & Safety Guidelines on our website [mskcc.org/EBP2022](https://mskcc.org/EBP2022).

**Registration Discounts/Promotions**

- A registration discount is available for **MSK Alumni** and **MSK Cancer Alliance** members to attend a MSK CME course. If you are a member of one of these groups, contact [cme@mskcc.org](mailto:cme@mskcc.org) for details.
- Registration is complimentary for all **MSK employees**; however, you must complete registration in order to attend this course.

Please note that after your payment has been processed, no further promotional discounts or adjustments will be made to your registration.

**Cancellation Policy**

**Registration for this symposium is non-refundable.** MSK CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event, we must cancel or postpone this course, you will be notified via email from MSK CME ([cme@mskcc.org](mailto:cme@mskcc.org)). We will refund the registration fee in full but are not responsible for any related costs, charges, or expenses to participants, including fees incurred by airline/travel/lodging agencies. At any time, you may substitute another registrant in your place after contacting MSK CME with the relevant information. Please note that if it has been more than 120 days since payment was processed, a W9 form must be submitted in order to process your refund and your refund will be issued in the form of check payment. Refunds are not subject to tax.

**If you are not feeling well or exhibiting any symptoms of COVID-19 please refrain from attending and contact MSK CME ([cme@mskcc.org](mailto:cme@mskcc.org)).**
