

OCTOBER 14-15 • VIRTUAL

Emergencies in the Cancer Patient 2023

Join specialists from across all areas of the cancer treatment spectrum to enhance your ability on how to prepare for common and not-so-common oncologic emergency scenarios.

Memorial Sloan Kettering
Cancer Center

Overview

Oncologic emergencies have rapidly evolved in medicine over the last decade. It continues to develop in parallel with evolving cancer treatments and interventions. In addition to treating complications related to standard/traditional chemotherapies, the development of numerous new cancer treatment modalities presents a whole new field of patient complaints that are just now starting to be seen in emergency rooms across the country.

With very few dedicated cancer hospital emergency rooms, **patients presenting with cancer emergencies are often inappropriately triaged, diagnosed, under-treated,** or often simply referred back to their respective oncologists without resolution of their emergent issues.

This two-day, live virtual conference **brings together specialists from across all areas of the cancer treatment spectrum to update and enhance the ability of emergency room providers and staff on how to prepare for the common and not-so-common emergency scenarios** with which a cancer patient could present. Topics covered include:

- » **INFECTIONS & SEPSIS**
- » **PAIN CONTROL & PALLIATION**
- » **INTERVENTIONAL EMERGENCIES**
- » **STEM CELL TRANSPLANT / TARGETED THERAPY / EXPERIMENTAL THERAPEUTICS**
- » **CNS EMERGENCIES**
- » **RADIATION TREATMENTS & COMPLICATIONS**
- » **HEME / DERM / ELECTROLYTES**

Additionally, attendees will receive access to an **online syllabus after the course**, which includes select PDFs of the faculty presentations (slides) and recorded videos from the course.

Educational Objectives

- (1) Identify and recognize the most common presenting complaints of cancer patients in emergency rooms.
- (2) Discuss current and developing cancer therapeutics with respect to their side-effects and complications.
- (3) Recognize the current limitations and challenges that remain in efficiently addressing cancer patient emergencies.

Who Should Attend

The target audience for this course includes physicians, nurse practitioners, physician assistants, and registered nurses involved in the treatment and management of patients with active malignancies/cancers who present with acute complaints in an emergent setting.

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **16.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **16.25 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

ANCC CNE Statement

Memorial Sloan Kettering Cancer Center–Nursing Professional Development / Continuing Education is accredited with distinction as a provider of nursing continuing professional development (NCPD) by the American Nurses Credentialing Center's Commission on Accreditation.

16.33 contact hours will be awarded to participants who attend the program in its entirety and complete a program evaluation. **Partial credit not awarded.**

MSK Course Director

George K. Wang, MD, PhD

Associate Attending
Urgent Care Service
Department of Medicine

MSK Course Moderator

Thomas John, MD

Assistant Attending
Urgent Care Service
Department of Medicine

Invited Keynote Speaker

David Hui, MD, MSc, FAAHPM

Professor with Tenure
Director of Supportive & Palliative Care Research
University of Texas MD Anderson Cancer Center

MSK Course Faculty

Adrienne Boire, MD, PhD

Associate Attending
Brain Tumor Service
Department of Neurology

**Sanjay Chawla,
MD, FACP, FACP, FCCM**

Attending
Critical Care Medicine Service
Department of Anesthesiology
& Critical Care

Linda Chen, MD

Assistant Attending
External Beam Radiotherapy Service
Department of Radiation Oncology

Marc Cohen, MD, MPH

Associate Attending
Head and Neck Service
Department of Surgery

Azeez Farooki, MD

Attending
Endocrinology Service
Department of Medicine

Jeffrey S. Groeger, MD

Chief, Attending
Urgent Care Service
Department of Medicine

Victoria Gutgarts, MD
Assistant Attending
Renal Service
Department of Medicine

Mini Kamboj, MD
Attending
Infectious Disease
Department of Medicine

Robert P. Lee, MD, FCCP, DAABIP
Associate Attending
Pulmonary Service
Department of Medicine

Aron Legler, MD
Assistant Attending
Anesthesiology Service
Department of Anesthesiology
& Critical Care

Bob T. Li, MD, PhD, MPH
Associate Attending
Thoracic Oncology Service
Department of Medicine

Simon Mantha, MD, MPH
Attending
Hematology Service
Department of Medicine

Alina Markova, MD
Assistant Attending
Dermatology Service
Department of Medicine

Peter Mead, MD
Assistant Attending
Infectious Disease
Department of Medicine

Mark Melrose, DO, FACEP
Associate Attending
Urgent Care Service
Department of Medicine

W. Christopher Newman, MD
Assistant Attending
Department of Neurosurgery

Reggie Saldivar, MD
Associate Attending
Supportive Care Service
Department of Medicine

Bianca D. Santomasso, MD, PhD
Assistant Attending
Brain Tumor Service
Department of Neurology

Gunjan Shah, MD, MS
Assistant Attending
Adult Bone Marrow Transplant
& Cellular Therapy Service
Department of Medicine

Iris H. Wei, MD, FACS
Assistant Attending
Colorectal Service
Department of Surgery

Amy Xu, MD, PhD
Assistant Attending
External Beam Radiotherapy Service
Department of Radiation Oncology

MITIGATION OF RELEVANT FINANCIAL RELATIONSHIPS

Memorial Sloan Kettering Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all financial relationships with ineligible companies (commercial interests). All relevant financial relationships have been mitigated prior to the commencement of the activity.

Schedule

Saturday, October 14, 2023 (EDT)

8:10 AM	Attendee Sign On to Zoom
8:15 AM	Introductory Remarks George K. Wang, MD, PhD Thomas John, MD
8:25 AM	Oncologic Emergency Department Jeffrey S. Groeger, MD
8:55 AM	General Hospital -vs- Cancer Hospital Emergency Medicine Practice Mark Melrose, DO, FACEP

INFECTIONS & SEPSIS

9:40 AM	Antibiotic Usage & Neutropenia Peter Mead, MD
10:25 AM	Break
10:30 AM	Resuscitation of the Cancer Patient Sanjay Chawla, MD, FACCPC, FACP, FCCM
11:05 AM	COVID19 and the Cancer Patient Mini Kamboj, MD
11:50 AM	Lunch Break

PAIN CONTROL & PALLIATION

12:30 PM	 Keynote Presentation Integrating Palliative Care, Emergency Medicine, and Oncology David Hui, MD, MSc, FAAHPM
1:15 PM	Pain Crisis and Emergent Management Reggie Saldivar, MD
2:00 PM	Interventional Pain management Aron Legler, MD
2:45 PM	Break

INTERVENTIONAL EMERGENCIES

2:50 PM	Head and Neck Bleeding Complications Marc Cohen, MD, MPH
3:35 PM	Malignant Bowel Obstructions Iris H. Wei, MD, FACS
4:20 PM	Bronchoscopic Emergencies Robert P. Lee, MD, FCCP, DAABIP
5:05 PM	Closing Remarks Thomas John, MD
5:15 PM	Adjourn

Sunday, October 15, 2023 (EDT)

8:10 AM Attendee Sign On to Zoom

8:15 AM **Introductory Remarks**
Thomas John, MD

STEM CELL TRANSPLANT / TARGETED THERAPY / EXPERIMENTAL THERAPEUTICS

8:20 AM **BMT Complications**
Gunjan Shah, MD, MS

9:05 AM **Targeted and Immunotherapy Side Effects**
Bob T. Li, MD, PhD, MPH

9:50 AM **CAR-T Treatment Side Effects**
Bianca D. Santomasso, MD, PhD

10:35 AM Break

CNS EMERGENCIES

10:40 AM **Malignant Spinal Cord Compression**
W. Christopher Newman, MD

11:25 AM **Leptomeningeal Disease**
Adrienne Boire, MD, PhD

12:10 PM Lunch Break

RADIATION TREATMENTS & COMPLICATIONS

12:50 PM **Indications for Urgent Radiation Treatment**
Amy Xu, MD, PhD

1:35 PM **Complications of Radiation Treatments**
Linda Chen, MD

HEME / DERM / ELECTROLYTES

2:20 PM **Hypercoagulation and Thrombosis in the Cancer Patient**
Simon Mantha, MD, MPH

3:05 PM **Dermatologic Side Effects of Cancer and Cancer Treatments**
Alina Markova, MD

3:50 PM Break

3:55 PM **Electrolyte Management in Tumor Lysis**
Victoria Gutgarts, MD

4:40 PM **Malignant Hypercalcemia**
Azeez Farooki, MD

5:25 PM **Closing Remarks**
George K. Wang, MD, PhD
Thomas John, MD

5:30 PM Adjourn

Register online

mskcc.org/EmergenciesCourse

Registration Fees

- **Physicians (MDs, PhDs, and DOs):** \$325
- **Residents and Fellow, Advanced Practice Providers, Nurses, and Other Healthcare Professionals:** \$175
- **Industry Professionals*:** \$575

*Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

A discount is available for **MSK Alumni** and **MSK Cancer Alliance** members to attend this program.

Cancellation Policy

If you wish to cancel your participation in this course, you must email cme@mskcc.org at least seven (7) days prior to the start of the course, and your refund will be subject to a \$25 administrative fee if attending virtually or a \$100 administrative fee if attending in-person. Cancellations or no-shows within seven (7) days of the course are not eligible for a refund. Please note that if it has been more than 120 days since payment was processed, a W9 form must be submitted in order to process your refund and your refund will be issued in the form of a check payment. Refunds are not subject to tax. You may substitute another registrant in your place at any time by contacting cme@mskcc.org with the appropriate information.

MSK CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event we must cancel or postpone this course, you will be notified via email from MSK CME (cme@mskcc.org). A full refund will be issued for your registration. MSK CME is not responsible for any related costs, charges, or expenses to participants, including fees incurred by airline/travel/lodging agencies.
