EMERGENCIES IN THE CANCER PATIENT
2018

JUNE 22-23, 2018
Memorial Sloan Kettering Cancer Center
Zuckerman Research Center
417 East 68th Street
New York, NY 10065

mskcc.org/emergenciescourse
Oncologic emergencies has become a rapidly evolving field in medicine over the last ten years. In addition to the treatment of complications related to the standard and traditional chemotherapies, the development of numerous new cancer treatment modalities present a whole new field of patient complaints that are just now starting to be seen at emergency rooms across the country. With very few dedicated cancer hospital emergency rooms across the country, patients presenting with cancer emergencies are often inappropriately diagnosed, undertreated, or often times simply referred back to their respective oncologist without resolution of their emergent complaints.

We bring together specialists from across all areas of the cancer treatment spectrum in order to update and enhance emergency room providers and staff on how to prepare for common & not-so-common emergency scenarios with which the patient could present.

**Educational Objectives**

- Identify and recognize the most common presenting complaints of a cancer patient in the emergency room.
- Identify current and developing cancer therapeutics with respect to their side-effects and complications.
- Recognize the current limitations and challenges that remain in efficiently addressing the emergent needs of the cancer patient.

**Target Audience**

This course is intended for physicians, nurse practitioners, physician assistants, and registered nurses involved in the treatment and management of patients with active malignancies/cancers who present with acute illnesses in an emergency type setting.
FRIDAY, JUNE 22

7:30 AM  Registration & Breakfast

8:00 AM  DEPARTMENT OF MEDICINE GRAND ROUNDS
Improving Survival in Cancer Patients with Acute Respiratory Failure
Elie Azoulay, MD, PhD

9:00 AM  Introductory Remarks
Jeffrey S. Groeger, MD
George K. Wang, MD, PhD

Neutropenia & Sepsis

9:10 AM  Antibiotic Usage & Neutropenic Patients
Peter Mead, MD

9:30 AM  Prognosis of Critically Ill Cancer Patients
Elie Azoulay, MD, PhD

10:00 AM  Resuscitation in the Cancer Patient
Sanjay Chawla, MD, FCCP, FACP, FCCM

10:30 AM  Panel Discussion
Elie Azoulay, MD, PhD
Sanjay Chawla, MD, FCCP, FACP, FCCM
Andrew S. Epstein, MD

11:00 AM  Pain Control & Management

11:15 AM  PCA and Emergent Pain Management
Yvona Griffo, MD

11:45 AM  Interventional Pain Control Options
Vinay Puttanniah, MD

12:15 PM  Q&A Session

12:30 PM  Lunch Break

Thrombosis & Hypercoagulation

1:30 PM  Thrombophilia & Anticoagulation
Gerald A. Soff, MD

2:00 PM  Emergent IR Procedures in Cancer Patients
Yolanda Bryce, MD, RPVI

2:30 PM  Q&A Session

2:45 PM  Break

Dermatological Complications of Patients & Treatment

3:00 PM  Dermatologic Side Effects
Alina Markova, MD

3:30 PM  Q&A Session

Head/Neck Cancer Complications

3:40 PM  Head/Neck Surgery Bleeding Complications
Marc Cohen, MD, MPH

4:10 PM  Q&A Session

4:20 PM  Adjourn

SATURDAY, JUNE 23

7:30 AM  Breakfast

8:00 AM  Brain & Spine Complications

8:30 AM  Headache/Back Pain Evaluation
Alan Carver, MD

8:00 AM  Spinal Cord Compression
Mark Bilsky, MD

9:00 AM  Q&A Session

9:15 AM  Break

Newer Cancer Therapies & Complications

9:30 AM  Immunotherapy/Targeted Therapy Side Effects
Bob Li, MD, MPH

10:00 AM  CAR T Cell Therapy Complications
Elena Mead, MD / Bianca D. Santomasso, MD, PhD

11:00 AM  BMT Complications
Michael Scordo, MD

11:30 AM  Q&A Session

11:45 AM  Lunch Break

Cardiology Complications

1:00 PM  Pericardial Effusions/Arrhythmias/Atypical Chest Pain
Howard Weinstein, MD

1:30 PM  Cardiotoxicity in Chemotherapeutic Patients
Nandini Yadav, MD

2:00 PM  Q&A Session

2:15 PM  Break

Cancer Emergency Room Updates

2:30 PM  Telemedicine
Christian Otto, MD, MMSc

3:00 PM  Primary & Secondary Triage and True Emergencies in Oncology Patients
Robin Stutman, MD

3:30 PM  Q&A Session

3:45 PM  Symposium Adjourn

*Special early rate expires April 6, 2018

**Industry professionals may attend CME activities for their own education.
Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Register Online: [mskcc.org/emergenciescourse](http://mskcc.org/emergenciescourse)

Registration includes continental breakfast, lunch, and refreshment breaks. Please contact [cme@mskcc.org](mailto:cme@mskcc.org) at least one week prior to the course if you have any special dietary needs.

- **30% Discounted Rate for MSK Alumni and MSK Alliance Members:** MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a course. Please contact [cme@mskcc.org](mailto:cme@mskcc.org) for a promotion code or more information.
- **MSK Staff Registration:** Registration is complimentary for MSK staff. However, you must register online: [mskcc.org/emergenciescourse](http://mskcc.org/emergenciescourse).

**Accreditation**

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

MSK designates this live activity for a maximum of 12.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**ABIM MOC Recognition Statement**

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 12.75 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**CE Credits**

This course will not offer nursing CE credits. Nurses will receive a non-physician CME certificate for AMA PRA Category 1 Credit(s)™. Certain nursing certification providers (such as ANCC) may accept this certificate for CE requirements. Please check with your certification providers for more information.

**Faculty Disclosure**

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
