GERIATRIC ONCOLOGY

FOR THE ADVANCED PRACTICE PROVIDER

*Expanding Expertise in the
Care of Older Adults
with Cancer*

Memorial Sloan Kettering
Cancer Center

Welcome

This one-day virtual program is designed to **advance the knowledge of Advanced Practice Provider's in the management of geriatric oncology patients.**

The program will discuss the diagnosis and treatment of common geriatric syndromes and disease processes that impact older adults prior to, during, and after cancer treatment.

Keynote Speaker

Terry Fulmer, PhD, RN, FAAN

President

The John A. Hartford Foundation

Through her extensive academic and clinical contributions to the field of geriatric medicine, current president of The John A. Hartford Foundation, **Terry Fulmer, PhD, RN, FAAN**, will share her insights and geriatrics expertise as keynote speaker.

We are pleased to offer **complimentary registration** for Residents, Fellows, APP Students and Nursing Students to attend this program.

Visit mskcc.org/GeriOncAPPs for details.

Overview

Aging is a risk factor for the development of cancer. As the United States population ages, the need for clinicians skilled in the care of older adults with cancer will increase. Research, however, suggests that **common geriatric syndromes and many psychosocial needs of older adult oncology patients are often unintentionally overlooked or under-addressed.** This one-day evidence based virtual program is designed to optimize the care of older adult oncology patients by advancing the knowledge and expertise of advanced practice providers.

Assessment, diagnosis, and treatment of common geriatric syndromes and disease processes that can impact older adults prior to, during, and after cancer treatment will be discussed. A **general overview of key geriatric oncology topics** will be provided, **including physiologic changes associated with advanced age and risk factors associated with cancer-directed therapies**, the use of the **comprehensive geriatric assessment** as a method for risk stratification and interventions prior to cancer-directed therapies, and **recognition of atypical presentation of disease** when developing a differential diagnosis.

Additionally, **cognitive impairment, cancer screening guidelines, chemotherapy toxicity tools, common cancer-related treatment side effects**, and **polypharmacy** will be addressed.

Participants will also be engaged in important topics such as **Inclusivity and providing care to LGBTQ+ older adults, transitional care management**, and **understanding Medicare guidelines and community resources** aimed at keeping older adults as independent as possible. Content proficiency will be assessed with pre and post-conference evaluations.

Who Should Attend

This course is designed for advanced practice providers, registered nurses, CRNAs, physicians (residents, fellows, and attending physicians), respiratory therapists, physical therapists, occupational therapists, social workers, case managers, and other healthcare professionals in medicine and surgery who **provide care for the older adult**.

Learning Objectives

- Gain competence in the **comprehensive management (identification, diagnosis, and treatment) of common geriatric comorbidities and conditions** in the oncology setting as well as sequelae of cancer and cancer treatments in older adults
- Recognize the importance of the **comprehensive geriatric assessment** as a diagnostic tool prior to the initiation of cancer directed therapies
- Discuss **cancer-screening guidelines and recommendations** for older cancer patients
- Describe **chemotherapy toxicity tools** and their use in the older adult population
- Appreciate the **role of the interdisciplinary team** in the assessment of social support
- **Master basic Medicare guidelines** related to discharge planning and homecare services

Live Virtual Format

This live virtual program will be **delivered using Zoom**. Detailed access and credit instructions will be emailed to attendees prior to the start of the course.

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **7.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC CNE Statement

Memorial Sloan Kettering Cancer Center - Nursing Professional Development/Continuing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

7.16 NCPD credits will be awarded to participants who attend the program in its entirety and complete a program evaluation. Partial credit not awarded.

Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

REGISTER ONLINE

mskcc.org/GeriOncAPPs

Live Virtual Registration Fees

Physicians (MDs, PhDs, and DOs)	\$75
Advanced Practice Providers	\$50
Nursing and Other Healthcare Professionals	\$25
Residents; Fellows; APP Students; Nursing Students*	complimentary*
Industry Professionals**	\$135

***Residents; Fellows; APP Students; Nursing Students:** please email cme@mskcc.org to receive a promotion code for complimentary registration.

A registration discount is available for **MSK Alumni** and **MSK Cancer Alliance** to attend a MSK CME course.

Registration is complimentary for all **MSK employees**; however, you must complete registration in order to attend this course.

****Industry professionals** may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Cancellation Policy

If you wish to cancel your participation in this course, you must email cme@mskcc.org at least seven (7) days prior to the start of the course, and your refund will be subject to a \$25 administrative fee. Cancellations or no-shows within seven (7) days of the course are not eligible for a refund. Please note that if it has been more than 120 days since payment was processed, a W9 form must be submitted in order process your refund and your refund will be issued in the form of a check payment. Refunds are not subject to tax. You may substitute another registrant in your place at any time by contacting cme@mskcc.org with the appropriate information.

MSK CME reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event we must cancel or postpone this course, you will be notified via email from MSK CME (cme@mskcc.org). A full refund will be issued for your registration. MSK CME is not responsible for any related costs, charges, or expenses to participants, including fees incurred by airline/travel/lodging agencies.
