Update in Hematology and Medical Oncology

A Comprehensive Annual Update on the Diagnosis,
Staging, and Management of Neoplastic Diseases
with Expert Faculty

Memorial Sloan Kettering
Cancer Center

Overview

The Memorial Sloan Kettering 12th Annual Hematology and Medical Oncology Board Review is a four day course that provides an up-to-date and comprehensive review of the diagnosis, staging, and management of neoplastic disease, including solid tumor and hematologic oncology.

Lectures provided by expert faculty will focus on disease-specific topics in gastrointestinal, gynecologic, thoracic, head and neck, genitourinary, soft tissue and skin, central nervous system oncology, and hematologic oncology. Ample time will be provided at the conclusion of each presentation for an **interactive question-and-answer** session with the speakers.

Attendees of this course will receive **access to an online syllabus**, which includes select PDFs of presentations (slides) and video recordings of the lectures.

The **target audience** for this program is medical oncology professionals, including physicians, nurses, pharmacists, fellows, and residents. **This course is designed to enable participants to effectively prepare for the American Board of Internal Medicine certification and recertification examinations in Hematology and Medical Oncology.**

This course is set to be an **exclusively live virtual experience**. Detailed Zoom access and participation instructions will be provided to registrants prior to the start of the program.

LEARNING OBJECTIVES

At the conclusion of this 3.5-day course, learners will be able to:

- Define state-of-the-science in diagnosis, staging, and therapeutic management of solid tumor cancers and hematologic cancers.
- Discuss recent treatment advances in solid tumor and hematologic oncology and apply knowledge gained in modern clinical practice
- Prepare for ABIM examinations in medical oncology and hematology.

ACCREDITATION

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **31.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **31.75 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
