

7th Annual MSK Symposium on Lymphoma

MAY 5-6, 2023 • NEW YORK, NY
(IN-PERSON / VIRTUAL)

Memorial Sloan Kettering
Cancer Center

Welcome

We are excited to **welcome attendees back to New York City** for the 7th Annual MSK Symposium on Lymphoma. This Symposium will feature **updated information on lymphoma biology, diagnosis, and ongoing efforts to translate scientific discoveries into novel treatment strategies** for a variety of lymphoma subtypes.

This year, we will address the **clinical management of the most frequent lymphoma entities** and will feature focused sessions related to **new families of drugs being developed** in these areas as well as in less common presentations. Faculty will present those and then discuss, during a panel, how to best approach patients' situations. We will also cover, in a special session, **recent advances in the biology of lymphoma** and how these will translate to **innovative therapeutic interventions**.

The target audience for this Symposium includes internists, oncologists, hematologists as well as medical and radiation oncologists, hematopathologists, scientists, and medical trainees involved in the diagnosis, treatment, and biomedical research of lymphoma.

A virtual option is available for attendees unable to join us in-person this year.

We look forward to your participation in this year's Lymphoma Symposium at MSK.

Sincerely,
Gilles Salles, MD, PhD
Chief, Lymphoma Service

2023 Symposium Highlights

FRIDAY, MAY 5

- **Afternoon Breakout Sessions:** Two concurrent breakout sessions will be held on Friday afternoon.

Science in Progress (In-person or Virtual)

Nursing Professional Development (In-person Only)

Space is very limited for this breakout; we encourage early registration.

- **Networking Reception** (In-person Only)

In-person attendees are invited to join the faculty for a networking reception on Friday evening. This event will be held in the lobby of Zuckerman Research Center and RSVP is required. Hors d'oeuvre and refreshments will be served.

SATURDAY, MAY 6

- **Breakfast Symposium:**

Chronic Lymphocytic Leukemia (In-person Only)

A special breakfast symposium will be held for in-person attendees on Saturday morning (space is limited).

- **Luncheon Session:**

What's new in Multiple Myeloma (In-person Only)

A special luncheon session will be held at the end of the program on Saturday afternoon for in-person attendees (space is limited).

Please note that **registration is required for all these sessions**. Selection can be made during Symposium registration and we ask registrants to **ONLY** make this selection if you are confirmed to participate in the session in its entirety.

Additionally, attendees will receive access to an **online syllabus after the course**, which includes select PDFs of the faculty presentations (slides) and recorded videos from the course.

MSK Symposium Director

Gilles Salles, MD, PhD
Chief, Lymphoma Service

MSK Symposium Planning Committee

Annalisa Benz, BSN, RN, OCN
Nurse Planner

Ahmet Dogan, MD, PhD
Chief, Hematopathology Service

Kojo Elenitoba-Johnson, MD
Chairman, Department of Pathology

Steven Horwitz, MD
Attending, Lymphoma Service

Andrew Intlekofer, MD
Assistant Attending, Lymphoma Service

Ariela Noy, MD
Attending, Lymphoma Service

Robert Stuver, MD
Hematology/Oncology Fellow

Hans-Guido Wendel, MD
Member/Professor, Cancer Biology
and Genetics Program

Joachim Yahalom, MD, FACR, FASTRO
Attending, External Beam
Radiotherapy Service

Andrew D. Zelenetz, MD, PhD
Medical Director, Quality Informatics
Attending, Lymphoma Service

Faculty

INVITED FACULTY

Ranjana Advani, MD

Saul Rosenberg Professor of Lymphoma
Stanford University
Stanford, CA

Philippe Armand, MD, PHD

Professor of Medicine
Dana-Farber Cancer Institute
Boston, MA

Nancy Bartlett, MD

Koman Professor of Medical Oncology
Washington University School of Medicine
St. Louis, MD

Wendy Beguelin, PhD

Assistant Professor of
Pharmacology in Medicine
Weill Cornell Medicine
New York, NY

Michael Dickinson, MBBS

Haematologist and Disease Group Lead:
Aggressive Lymphoma
Peter MacCallum Cancer Centre
Melbourne, Australia

Alex Herrera, MD

Associate Professor/
Hematologist-Oncologist
City of Hope
Duarte, CA

Caron Jacobson, MD

Assistant Professor, Medicine,
Harvard Medical School
Medical Director, Immune Engineered Cell
Therapy Program, Medical Oncology
Dana-Farber Cancer Institute
Boston, MA

Michael Khodadoust, MD, PHD

Assistant Professor
Stanford University
Stanford, CA

Matthew Maurer, MS, DMSc

Assistant Professor of Biostatistics
and Medicine
Mayo Clinic
Rochester, MN

Neha Mehta-Shah, MD, MSCI

Associate Professor
Washington University School of Medicine
St. Louis, MD

Lindsay Morton, PhD

Senior Investigator;
Director, Radiation Epidemiology Branch;
Head, Cancer Survivorship Research Unit
National Cancer Institute
Bethesda, MD

Loretta Nastoupil, MD

Associate Professor
MD Anderson Cancer Center
Houston, TX

Louis Staudt, MD, PHD

Director, Center for Cancer Genomics
National Institute of Health
Bethesda, MD

Michael Williams, MD

Byrd S. Leavell Professor of Medicine;
Division Chief, Medicine:
Hematology and Oncology
University of Virginia
Charlottesville, VA

MSK FACULTY

Omar Abdel-Wahab, MD

Chair, SKI Molecular Pharmacology Program

Alexander Boardman, MD

Hematology Oncology Fellow

Kevin David, MD

Associate Attending,
Lymphoma Service

Paola Ghione, MD

Assistant Attending,
Lymphoma Service

Brandon Imber, MD, MA

Assistant Attending,
Department of Radiation Oncology

Neha S. Korde, MD

Associate Attending,
Myeloma Service

Anita Kumar, MD

Assistant Attending,
Lymphoma Service

Megan So-Young Lim, MD, PhD

Attending, Department of Pathology

Jennifer K. Lue, MD

Assistant Attending,
Lymphoma Service

Brittany McClain, BSN, RN, OCN

Clinical Nurse

Alison J. Moskowitz, MD

Associate Attending,
Lymphoma Service

M. Lia Palomba, MD

Member, Lymphoma and
Cellular Therapeutics Services

David Qualls, MD

Hematology Oncology Fellow

Gunjan L. Shah, MD, MS

Assistant Attending,
Bone Marrow Transplant and
Cellular Therapy Services

Meghan Thompson, MD

Assistant Attending, Leukemia Service

Pallawi Torka, MD

Assistant Attending, Lymphoma Service

Saad Z. Usmani, MD, MBA, FACP

Chief, Myeloma Service

Jenna Wenzel, NP-C

Nurse Practitioner

MITIGATION OF RELEVANT FINANCIAL RELATIONSHIPS

Memorial Sloan Kettering Cancer Center adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers, or others are required to disclose all financial relationships with ineligible companies (commercial interests). All relevant financial relationships have been mitigated prior to the commencement of the activity.

Schedule

Friday, May 5, 2023

- 7:00 AM In-person Breakfast and Check-in
7:50 AM Virtual Check-in
8:00 AM **Welcome and Introduction**
Gilles Salles, MD, PhD

PLENARY LECTURE

Precision Medicine in Diffuse Large B-cell lymphoma

MODERATORS: Gilles Salles, MD, PhD • Megan So-Young Lim, MD, PhD

8:05 AM

Conquering the Genetic Heterogeneity of Aggressive Lymphomas With Multi-Agent Synergistic Drug Therapy

Louis Staudt, MD, PHD

Large B-Cell Lymphoma

MODERATORS: Gilles Salles, MD, PhD • Megan So-Young Lim, MD, PhD

- 9:00 AM **Is the Standard of Care in 1st Line Changing?**
Ranjana Advani, MD
9:25 AM **CAR T-cell: Success and Limitations**
Caron Jacobson, MD
9:50 AM **Bispecific Antibodies: Moving the Field Forward**
Michael Dickinson, MBBS
10:15 AM **Roundtable Discussion; Q/A**
10:30 AM Break

T-cell Lymphoma

MODERATORS: Steven Horwitz, MD • Pallawi Torka, MD

- 10:50 AM **Advancing Immune Therapies in T-cell Lymphoma**
Michael Khodadoust, MD, PHD
11:10 AM **Approaches to Upfront Therapy in T-cell Lymphoma**
Neha Mehta-Shah, MD, MSCI
11:30 AM **Managing Rare T-cell Lymphomas**
Steven Horwitz, MD
11:50 AM **Roundtable Discussion; Q/A**

Special Session

MODERATORS: Gilles Salles, MD, PhD • Anita Kumar, MD

Lymphoma Classifications: How to Navigate?

Ahmet Dogan, MD, PhD

12:30 PM Lunch Break

Special Session

MODERATORS: Gilles Salles, MD, PhD • Anita Kumar, MD

Interpreting Real Life Data

Matthew Maurer, MS, DMSc

Hodgkin Lymphoma

MODERATORS: Ariela Noy, MD • Robert Stuver, MD

2:00 PM **Advancing Immune Therapies in Hodgkin Lymphoma**
Alison J. Moskowitz, MD

2:25 PM **Managing Recurrent Disease**
Alex Herrera, MD

2:50 PM **Roundtable Discussion; Q/A**

3:00 PM **Special Session**

Late Effects of Therapy
Lindsay Morton, PhD

3:30 PM Break

Breakout Sessions

SCIENCE IN PROGRESS

AUDITORIUM
In-person or Virtual

MODERATORS:
Andrew Intlekofer, MD
Jennifer K. Lue, MD

4:00 PM **From Target to Compounds:
EZH2**
Wendy Beguelin, PhD

4:20 PM **From Target to Compounds:
BTK**
Omar Abdel-Wahab, MD

4:40 PM **From Target to Compounds:
PD1**
Philippe Armand, MD, PHD

5:00 PM **From Target to Compounds:
IDH**
Andrew Intlekofer, MD

5:20 PM **Roundtable Discussion; Q/A**

5:30 PM Adjourn

NURSING PROFESSIONAL DEVELOPMENT

ROOM 105
In-person Only

MODERATORS:
Annalisa Benz, BSN, RN, OCN
Jenna Wenzel, NP-C

**Lymphoma Overview:
What Is New**
Brittany McClain, BSN, RN, OCN

**New Therapeutic Agents
in Lymphoma**
David Qualls, MD

**Bispecific Antibodies:
Management**
Gilles Salles, MD

CAR T Cell Management
Alexander Boardman, MD

Roundtable Discussion; Q/A

Adjourn

NETWORKING RECEPTION

5:30 - 6:30 PM | LOBBY
In-person Only

In-person attendees are invited to join the Symposium faculty for a networking reception on Friday evening. This event will be held in the lobby of Zuckerman Research Center and RSVP is required. If you are interested in joining the reception, please be sure to select this as an option in your registration. Hors d'oeuvre and refreshments will be served.

Saturday, May 6, 2023

8:00 AM In-person Check-in and Breakfast

BREAKFAST SYMPOSIUM

Chronic Lymphocytic Leukemia

ROOM 105
In-person Only

MODERATORS: Paola Ghione, MD • Kevin David, MD

8:30 AM **Newly Diagnosed CLL**
Andrew D. Zelenetz, MD, PhD

8:50 AM **Managing CLL Recurrence**
Meghan Thompson, MD

9:10 AM Virtual Check-in

9:15 AM **Day 2 Welcome and Introduction**
Gilles Salles, MD, PhD

Mantle Cell Lymphoma

MODERATORS: Paola Ghione, MD • Kevin David, MD

9:20 AM **Is Standard of Care Still Standard in 1st Line?**
Michael Williams, MD

9:45 AM **New Agents, New Options**
Anita Kumar, MD

10:10 AM **Roundtable Discussion; Q/A**

10:25 AM **Special Session**
MODERATOR: M. Lia Palomba, MD

CAR T cells: Update on Eligibility and Toxicity
Gunjan L. Shah, MD

10:55 AM Break

Follicular Lymphoma

MODERATORS: Andrew D. Zelenetz, MD, PhD • M. Lia Palomba, MD

11:10 AM **Radiation Therapy for Localized Stages**
Brandon Imber, MD, MA

11:35 AM **First Line Therapy: Can We Move the Needle Forward?**
Gilles Salles, MD, PhD

12:00 PM **Bispecific Antibodies: How and When?**
Nancy Bartlett, MD

12:25 PM **CAR T-cell for Follicular Lymphoma: Success and Limitations**
Loretta Nastoupil, MD

12:50 PM **Roundtable Discussion; Q/A**

1:00 PM **Conclusion**
Gilles Salles, MD, PhD

LUNCHEON SESSION

What's New in Multiple Myeloma

ROOM 105
In-person Only

MODERATORS: Gilles Salles, MD, PhD • Neha S. Korde, MD

1:10 PM **Newly Diagnosed Multiple Myeloma**
Saad Z. Usmani, MD

1:35 PM **Relapsed Multiple Myeloma**
Neha S. Korde, MD

2:00 PM **Closing Remarks & Adjourn**
Gilles Salles, MD, PhD

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **12.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **12.75 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

ANCC CNE Statement

Memorial Sloan Kettering Cancer Center–Nursing Professional Development / Continuing Education is accredited with distinction as a provider of nursing continuing professional development (NCPD) by the American Nurses Credentialing Center's Commission on Accreditation.

13.00 contact hours will be awarded to participants who attend the program in its entirety and complete a program evaluation. Partial credit not awarded.

REGISTER ONLINE:

mskcc.org/LymphomaSymposium

Registration Fees	Early*	General
Physicians (MDs, PhDs, PharmDs, and DOs)	\$375	\$450
APPs and Pharmacists	\$125	\$200
Nurses and Other Healthcare Providers	\$75	\$150
Residents and Fellows	\$25	\$100
Industry Professionals**	n/a	\$785

*Early discounted rates expire **March 31, 2023**.

****Industry professionals** may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Course registration includes continental breakfast, lunch, refreshment breaks, and an invitation to the networking reception on Friday evening. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

While MSK **requests that institutional guests are vaccinated against COVID-19**, we are no longer requiring proof of vaccination.

A registration discount is available for **MSK Alumni** and **MSK Cancer Alliance** to attend. If you are a member of one of these groups, contact cme@mskcc.org for details.

Registration is complimentary for all **MSK employees**; however, you must complete registration in order to attend.

For additional details, including the cancellation policy, visit: mskcc.org/LymphomaSymposium
