INNOVATIONS IN BRAIN TUMOR MANAGEMENT

APRIL 5-6, 2019
Rockefeller Research Laboratories
430 East 67th Street
New York, NY
Memorial Sloan Kettering Cancer Center, in collaboration with the National Brain Tumor Society, present *Innovations in Brain Tumor Management*.

Day 1, *Innovations in Brain Tumor Management*, will provide an up-to-date review of neuro-oncology, including a review of the most common primary brain tumors, for practitioners. Day 2, *Living with a Brain Tumor*, will provide attendees education and up-to-date information on medical, behavioral, and social implications of a brain tumor diagnosis, including a multidisciplinary review of care and services available at MSK.

Please note that day 1 is directed towards healthcare providers. We invite patients and caregivers to attend day 2 on a complimentary basis. Please see page 6 for details.

For additional information and registration, visit: [mskcc.org/neuro-oncology-course](http://mskcc.org/neuro-oncology-course)
Day 1 Overview

Day 1, *Innovations in Brain Tumor Management*, will provide an up-to-date review of neuro-oncology including a review of the most common primary brain tumors. An emphasis will be placed on cutting edge innovations in the management of brain tumors essential for practitioners managing neuro-oncology patients, including novel treatment approaches and upcoming biomarker evaluations such as CSF cell free DNA.

Target Audience

The target audience for day 1 includes physicians, trainees, and allied health professionals caring for patients with brain tumors.

Learning Objectives

- Update participants on specific types of brain tumors encountered in clinical practice including low-grade gliomas, glioblastoma, primary CNS lymphoma, and meningioma
- Provide a review of the most cutting edge new and emerging treatment strategies for brain tumors, including targeted therapies, immunotherapies, and CAR T-cell therapies
- Review new and updated strategies for neurosurgical and radiation treatments for gliomas and brain metastases

MSK Course Director (Day 1)

Thomas J. Kaley, MD
Director, Neuro-Oncology Fellowship Program
Department of Neurology

Invited Course Faculty

- Martin J. van den Bent, MD, PhD
  Director, Department of Neuro-Oncology
  The Brain Tumor Center at Erasmus MC Cancer Institute
- Christine Brown, PhD
  Associate Director, T Cell Therapeutics Research Laboratory;
  Departments of Hematology & Hematopoietic Cell Transplantation and Immuno-Oncology
  City of Hope
- Timothy F. Cloughesy, MD
  Director, Neuro-Oncology Program;
  Department of Neurology
  UCLA Health

MSK Course Faculty

- Edward K. Avila, DO
  Acting Co-Chair, Department of Neurology
  Co-Director, Neuro Advanced Care Unit
- Kathryn Beal, MD
  Associate Attending
  Department of Radiation Oncology
- Cameron W. Brennan, MD
  Director, Intraoperative MRI
  Department of Neurosurgery
- Lisa M. DeAngelis, MD
  Acting Physician-in-Chief, Memorial Hospital
  Lillian Rojtman Berkman Chair in Honor of Jerome B. Posner
- Eli L. Diamond, MD
  Assistant Attending
  Department of Neurology
- Christian Grommes, MD
  Assistant Attending
  Department of Neurology
- Ingo K. Mellinghoff, MD
  Acting Co-Chair, Department of Neurology
  Chief, Brain Tumor Service
- Gregory J. Riely, MD, PhD
  Vice Chair, Clinical Research, Department of Medicine
- Robert J. Young, MD
  Director, 3T Neuroradiology Imaging
  Department of Radiology
- Jedd D. Wolchok, MD, PhD
  Chief, Melanoma & Immunotherapeutics Service
  Director, Parker Institute for Cancer Immunotherapy at MSK
Day 2, *Living with a Brain Tumor*, will provide attendees education and up-to-date information on medical, behavioral, and social implications of a brain tumor diagnosis. It will introduce the multidisciplinary care clinic (MDCC) and services available at MSK for patients and caregivers to address coping skills and improve quality of life after brain tumor diagnosis. In addition to lectures, the conference will include opportunities for interactive conversation between participants and faculty.

**Target Audience**

The **target audience for day 2** includes patients with primary brain tumors, caregivers of patients with brain tumors, nurses, residents, fellows, neurologists, neuro-oncologists, social workers, rehabilitation medicine physicians, case managers, physical therapists and occupational therapists.

**Learning Objectives**

- Update participants on principle and rationale of clinical trials
- Learn about patient and caregiver services offered at MSK
- Introduce the multidisciplinary care clinic model-consisting of nurses, physical therapist, rehabilitation medicine doctor, nutritionist, case manager, social worker, and spiritual adviser.

**MSK Course Director (Day 2)**

Elena Pentsova, MD

Associate Director, Neuro-Oncology Fellowship Program
Department of Neurology

MSK is pleased to invite patients and caregivers to attend day 2 on a complimentary basis. Attendees are welcome to join in person or view a live simulcast of the event.

Please email cme@mskcc.org to register.

(Include your name, email address, phone number and whether you will be attending in person or prefer to view the live simulcast)

**Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Register Online:
mskcc.org/neuro-oncology-course

Course registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

- MSK is pleased to invite patients and caregivers to attend day 2 on a complimentary basis. Please email cme@mskcc.org to register (include your name, email address, phone number and whether you will be attending in person or prefer to view the live simulcast).
- MSK CME offers a 30% discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners. If you are a member of one of these groups, please contact cme@mskcc.org for more information.
- MSK employee registration is complimentary. However, you must complete course registration in order to attend this course.

Accreditation
Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement
Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of 9.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC CNE Statement*
Memorial Sloan Kettering Cancer Center – Nursing Professional Development/Continuing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

3.10 CNE contact hours will be awarded to participants who attend a live program, in its entirety, and complete a program evaluation. Partial credit not awarded.

*Please note that ANCC CNE contact hours are only available for day 2.

Faculty Disclosure
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
