

LIVE SIMULCAST • November 7, 2020

Memorial Sloan Kettering Cancer Center presents

ONCOLOGY ACUPUNCTURE:

*From Neuroscience
to Patient Wellbeing*

In partnership with the
Society for Acupuncture Research

Memorial Sloan Kettering
Cancer Center

A Note from the Course Director

Dear Colleagues,

Memorial Sloan Kettering's Continuing Medical Education (MSK CME) planning team has been closely monitoring the impact COVID-19 is having worldwide. Our response to this global public health issue must be proactive and clear; protecting the health and wellbeing of our patients, caregivers, visitors, and staff is our first and foremost priority.

Due to an abundance of caution, our symposium, *Oncology Acupuncture: From Neuroscience to Patient Wellbeing*, will now take place as a **one-day, simulcast program on Saturday, November 7, 2020.**

We will use our state-of-the-art simulcast technology to broadcast this course live on Saturday, November 7, from 8:00 AM-5:00 PM (EST). All lectures will be delivered using video stream and teleconferencing services.

By making these changes, we are acting in the best interest of MSK patients and medical staff, and the trainees attending our symposium. When a public health crisis like this occurs, the medical and research communities must work together to continue to provide exceptional patient care and share knowledge with one another.

We look forward to you joining us for the first-ever oncology acupuncture symposium.

Sincerely,

Jun J. Mao
Laurance S. Rockefeller Chair in Integrative Medicine
Chief, Integrative Medicine Service
Memorial Sloan Kettering Cancer Center

Symposium Overview

This symposium will focus on the neuroscientific mechanisms of acupuncture for pain and symptom management and its application in cancer care.

We will connect neuroscience and basic research with clinical evidence for oncology acupuncture symptom management. Our international panelists will also present the progress and challenges of providing acupuncture services in the oncology setting.

Learning Objectives

- Describe the mechanisms of acupuncture involving central modulation and peripheral stimulation
- Evaluate the current evidence of acupuncture for symptom management
- Determine strategies for engaging healthcare providers and health care systems to disseminate and implement acupuncture research findings in cancer care

Target Audience

This symposium is intended for health care providers (physicians, advanced practice providers, nurses, psychologists, social workers, and acupuncturists) who diagnose, manage, and treat side effects of cancer treatment and those who develop programs (administrators) to improve quality of life for people with cancer.

LIVE SIMULCAST

Through the live video stream, you will be able to see presentations, hear live audio, interact online and claim credit. Registration for the simulcast is required through the course website:

mskcc.org/oncologyacupuncture

Society for Acupuncture Research (SAR) member discount available.

Director, Chronic Pain

Shila Pandey, MS, RN, AGPCNP-BC, ACHPN

Nurse Practitioner, Supportive Care Service

Kelly Trevino, PhD

Director, Psycho-Oncology of Cancer
and Aging Program

Schedule

Saturday, November 7

8:00 AM-5:00 PM

Eastern Standard Time (EST)

8:00 AM | **Welcoming Remarks**
Jun J. Mao, MD, MSCE

Keynote Address

8:10 AM | **Oncology Acupuncture: Precision Medicine Meets Patient-centered Care**
Jun J. Mao, MD, MSCE

Acupuncture for Non-malignant Pain

9:00 AM | **Neuroscience of Acupuncture**
Richard Harris, PhD

9:30 AM | **Clinical Evidence for Non-malignant Pain**
Claudia Witt, MD, MBA

10:00 AM | Break

Acupuncture for Cancer-related Pain

10:15 AM | **Aromatase Inhibitor-associated Arthralgia and Chemotherapy-induced Peripheral Neuropathy**
Ting Bao, MD, DABMA, MS

10:40 AM | **Acupuncture to Reduce Opioid Use in Bone Marrow Transplant Patients**
Gary Deng, MD, PhD

Panel Discussion

11:05 AM | **Pain Management and Opioid Reduction in Oncology**
Amitabh Gulati, MD, FIPP, CIPS and Shila Pandey, MS, RN, AGPCNP-BC, ACHPN

11:35 AM | Lunch Break

Acupuncture for Fatigue

12:35 PM | **Fatigue in Cancer**
Fay Wright, APRN-BC, PhD, RN

1:00 PM | **Acupuncture and Acupressure for Fatigue**
Suzanna M. Zick, ND, MPH

1:25 PM | Tai chi Stretch

Acupuncture for Insomnia and Cognitive Impairment

1:30 PM | **Insomnia in Cancer**
Sheila Garland, PhD, R Psych

1:55 PM | **Acupuncture for Insomnia and Related Cognitive Impairment**
Kevin Liou, MD

Moderated Discussion

2:20 PM | **Acupuncture for Fatigue, Insomnia, and Cognitive Impairment**
Kelly Trevino, PhD and Stacie Corcoran, RN, MS

2:50 PM | Break

Acupuncture for Gastrointestinal Symptoms Along the Digestive Tract

3:05 PM | **Acupuncture for Nausea and Vomiting**
Matthew S. Weitzman, LAc

3:25 PM | **Acupuncture for Xerostomia and Dysphagia in Patients with Head and Neck Cancers**
Gary Deng, MD, PhD

3:45 PM | Yoga Stretch

Oncology Acupuncture: International Perspectives

3:50 PM | **AUSTRALIA:** Judith Lacey, MBBS, FRACGP, FACHPM (FRACP)

4:00 PM | **BRAZIL:** Ari Ojeda Ocampo Moré, MD, MSc, PhD

4:10 PM | **ITALY:** Sonia Baccetti, MD

4:20 PM | **CHINA:** Haibo Zhang, MD

4:30 PM | **Moderated Discussion** • Jun J. Mao, MD, MSCE

5:00 PM | Adjourn

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **7.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NCCAOM Accreditation

Memorial Sloan Kettering Cancer Center is an National Credentialing Commission of Acupuncture and Oriental Medicine (NCCAOM) Professional Development Activity Provider #299. *Oncology Acupuncture: From Neuroscience to Patient Wellbeing* is PDA Course# 299-20 and approved for **7.50 pda points**.

Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
