Memorial Sloan Kettering Cancer Center presents:

PANCREAS CANCER SYMPOSIUM
State-of-the-Art 2018 and Beyond

November 30, 2018
Zuckerman Research Center | New York City

In partnership with:
David M. Rubenstein Center for Pancreatic Cancer Research

Memorial Sloan Kettering Cancer Center
Symposium Overview

Pancreas cancer incidence is on the rise. Treatment paradigms are changing and many novel approaches are under development in this disease. This one day course in conjunction with the David M. Rubenstein Center for Pancreatic Cancer Research at Memorial Sloan Kettering is very timely and will review the epidemiology, genomic, molecular and pathologic underpinnings of this disease along with discussing diagnostic and therapeutic approaches for localized, locally advanced and metastatic pancreas adenocarcinoma. An emphasis will be on multidisciplinary decision making and will include a case-based focus. The course will also discuss novel treatments under development and where the field is heading.

Educational Objectives

- Understand the pathologic, genetic and molecular hallmarks of pancreas cancer.
- Understand the importance of and where to optimally utilize multidisciplinary care for management of pancreas cancer.
- Outline current diagnostic and surgical strategies for pancreas cancer.
- Review the indications and implications of germline and somatic testing in pancreas cancer.
- Define the key novel therapeutic approaches for management of pancreas cancer.

Target Audience

The target audience for this symposium includes medical oncologists, surgical oncologists, gastroenterologists, nurses, pharmacists, APPs and other healthcare professionals involved in the diagnosis, treatment, and research of pancreatic cancer.

Multidisciplinary Breakout Session

Refer to page 4 for session agenda.

This session targets the following providers: Nurses, NP’s, PA’s, Clinical Trial Nurses, Social Workers and Nutritionists. Providers who practice in the Inpatient, Ambulatory Care setting, and clinical trials will benefit. Pancreas cancer presents with many challenges. Patients with pancreas cancer have a unique spectrum of disease and treatment related adverse events which often overlap making care of these patients challenging. Emerging clinical trials with new agents broaden the potential spectrum of toxicities. In this session a multidisciplinary team will address the complex care needs of these patients.

- Review best practices for management of disease and treatment related symptoms for patients with pancreas cancer.
- Outline the multifaceted psychosocial challenges of patients and families experiencing cancer.
- Review the implications of emerging clinical trials and new agents and impact on caring for the patient with pancreas cancer.
- Optimize nutritional considerations for patients with pancreas cancer.
- Describe the need for early intervention and how a multidisciplinary team approach can improve patient care.

MSK Course Directors

Eileen M. O’Reilly, MD  
Associate Director  
David M. Rubenstein Center for Pancreatic Cancer Research  
Attending Physician, Member  
Memorial Sloan Kettering Cancer Center  
Professor of Medicine  
Weill Cornell Medical College

David S. Klimstra, MD  
Chairman  
Department of Pathology

MSK Keynote Lecturer

Craig B. Thompson, MD  
President and Chief Executive Officer

Visiting Faculty

Peter J. Allen, MD  
Chief of Surgery, Duke Cancer Institute  
Chief of Surgical Oncology  
Duke University Health System  
Durham, NC

Richard Kinh Do, MD, PhD  
Associate Attending  
Department of Radiology

Benjamin Krantz, MD, MBA  
Fellow in Hematology/Oncology, NYU  
Consultant, MSK

Christine A. Iacobuzio-Donahue, MD, PhD  
Attending  
Department of Pathology  
Human Oncology and Pathogenesis Program  
Interim Director  
David M. Rubenstein Center for Pancreatic Cancer Research

Sara H. Olson, PhD  
Associate Attending Epidemiologist  
Department of Epidemiology and Biostatistics

Marsha Reyngold, MD, PhD  
Assistant Attending  
Department of Radiation Oncology

Mark A. Schattner, MD, FASGE, AGAF  
Chief, Gastrointestinal Hepatology, and Nutrition Service  
Department of Medicine

Zsofia K. Stadler, MD  
Associate Attending Physician  
Clinic Director  
Clinical Genetics Service

Anna M. Varghese, MD  
Assistant Attending  
Gastrointestinal Oncology Service  
Department of Medicine

Kenneth H. Yu, MD, MSc  
Assistant Attending  
Associate Professor  
Weill Cornell Medical College  
Adjunct Assistant Professor  
Department of Pharmacology  
University of Pennsylvania  
Clinical Fellow  
Cold Spring Harbor Laboratory
Scientific Agenda

7:30 AM  Registration & Breakfast

8:00 AM  Symposium Introduction & Welcome
  Eileen M. O’Reilly, MD & David S. Klimstra, MD

8:05 AM  Keynote Lecture & Department of Medicine Grand Rounds
  Why are Ras and p53 Mutations the Most Common Molecular Signature in Pancreatic Cancer?
  New Insights to An Old Problem
  Craig B. Thompson, MD

9:00 AM  Break

Pathology, Genomics, Epidemiology
  MODERATORS: David S. Klimstra, MD & Christine A. Iacobuzio-Donahue, MD, PhD

9:10 AM  Pancreas Subtypes and More
  David S. Klimstra, MD

9:30 AM  Genetics of Pancreas Cancer
  Christine A. Iacobuzio-Donahue, MD, PhD

9:50 AM  Epidemiology of Pancreas Cancer
  Sara H. Olson, PhD

10:10 AM  Q/A and Panelist Discussion
  Session Moderators

10:30 AM  Break

Diagnosis, Imaging and Innovation
  MODERATORS: Mark A. Schattner, MD, FASGE, AGAF & Richard Kinh Do, MD, PhD

10:50 AM  Imaging, CT, PET and the Future
  Richard Kinh Do, MD, PhD

11:10 AM  Advanced Endoscopy
  Mark A. Schattner, MD, FASGE, AGAF

11:35 AM  Novel Biomarkers for Pancreas Cancer
  David Paul Kelsen, MD

11:50 AM  Clinical Genetics of Pancreas Cancer
  Zsofia K. Stadler, MD

12:10 PM  Q/A and Panelist Discussion
  Session Moderators

12:30 PM  Lunch

Resectable, Borderline Resectable and Adjuvant Therapy
  MODERATORS: William R. Jarnagin, MD, FACS & Christopher Crane, MD

1:15 PM  Surgery for Pancreas Cancer
  Jeffrey Drebin, MD, PhD

1:30 PM  Adjuvant/Neoadjuvant Therapy
  Kenneth H. Yu, MD, MSc

1:45 PM  Novel Radiation Strategies for Pancreas Cancer
  Christopher Crane, MD

2:00 PM  Intraductal Papillary Mucinous Neoplasms:
  An Opportunity to Prevent Pancreatic Cancer?
  Peter J. Allen, MD

2:15 PM  Interactive Case
  Marsha Reyngold, MD, PhD

2:35 PM  Break

Join the conversation!
#MSKPancreasCME

Advanced Disease and Next Generation Approaches
  MODERATORS: Eileen M. O’Reilly, MD & David Paul Kelsen, MD

2:50 PM  Standard Therapies for Pancreas Cancer
  Anna M. Varghese, MD

3:10 PM  Emerging Therapeutic Directions
  Eileen M. O’Reilly, MD

3:30 PM  Novel Vaccine Strategies
  Vinod P. Balachandran, MD, FACS

3:45 PM  Molecular Tumor Board/Cases
  Benjamin Krantz, MD, MBA

4:15 PM  Symposium Adjourn

5:30 PM  Cocktail & Networking Reception
  Attendees are invited to join the course faculty for a cocktail and networking reception at Zuckerman Research Center immediately following the conclusion of the symposium.

Multidisciplinary Breakout Session:
Applications for Nurses, Advanced Practitioners and Related Disciplines*

10:50 AM-12:30 PM  Zuckerman Room 105
  CHAIRS: Robin B. Brenner, RN, OCN & Andrew S. Epstein, MD

10:50 AM  Introduction
  Robin B. Brenner, RN, OCN

10:55 AM  Review and Management of Pancreas Cancer:
  Disease Symptoms and Side Effects of Standard of Care Treatments
  Erica Kaufmann, MSN, RN, AGPCNP-BC, OCN

11:15 AM  Challenges in Caring for the Pancreas Cancer Patient Participating in Clinical Trials
  Robin B. Brenner, RN, OCN

11:35 AM  Nutrition and Pancreatic Cancer:
  Challenges and Choices
  Jody Gilman, MS, RDN, CDN

11:50 AM  Balancing Hope and Fear:
  The Unique Challenge of Pancreatic Cancer
  Fiona Begg, LMSW

12:05 PM  Emerging Research Directions in Supportive Oncology
  Andrew S. Epstein, MD

12:15 PM  Panel Discussion

12:30 PM  Breakout Session Adjourn / Lunch

*ANCC CE contact hours available. Please see accreditation section for more information.

*Early Registration Rate Expires October 15, 2018  
**Industry Professionals may attend CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Register Online: mskcc.org/PancreasSymposium

Registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary needs.

- 30% Discounted Rate for MSK Alumni and MSK Alliance Members: MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a CME course. Please contact cme@mskcc.org for a promotion code or more information.
- MSK Staff Registration: Registration is complimentary for MSK staff. However, you must register online: mskcc.org/PancreasSymposium

ACCREDITATION

Accreditation Statement
MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement
MSK designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.75 Medical Knowledge MOC Points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

ANCC CE Contact Hours
Memorial Sloan Kettering Cancer Center - Nursing Professional Development/Continuing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Contact hours will be awarded to participants who attend the program in its entirety and complete a program evaluation. Partial credit not awarded.

Faculty Disclosure
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

Travel & Accommodations

Symposium Location
Memorial Sloan Kettering Cancer Center  
Mortimer B. Zuckerman Research Center  
417 East 68th Street  
New York, NY 10065

Hotels
MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the area of MSK with discounted rates, please visit: mskcc.org/cme.
