REQUEST FOR CASES

7th Annual State-of-the-Art in Thrombosis & Hemostasis Symposium

SEPTEMBER 16, 2018

ZUCKERMAN RESEARCH CENTER
417 EAST 68TH STREET
NEW YORK, NY 10065

Memorial Sloan Kettering
Cancer Center

Overview

This course is designed to provide an important annual educational forum for Hematology and Oncology doctors. The ultimate objective of this activity is to enhance physician understanding of the disease state and treatment advances for the benefit of patients. This course is intended for hematology/oncology practitioners, fellows, advanced practice providers and other healthcare professionals in the field.

CAREER FAIR

There will be a career fair for participants during this course from **10:30 AM-1:15 PM**, featuring recruiting agencies and local hospitals recruiters. Participants are encouraged to bring their CV.

REQUEST FOR CASE SUBMISSIONS

When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a BRIEF summary of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible.

Submission deadline: September 7, 2018

SYMPOSIUM OBJECTIVES

- Understand the current standard of care for use of the direct oral anticoagulants (DOACs). What is their safety and efficacy profiles?
- Understand the evolving role of coagulation testing in diagnosing and managing coagulation disorders. This includes the effect of the DOACs on routine coagulation tests, and what is the role for testing for levels of the new generation of anticoagulants.
- How can Interventional Radiology be best utilized for management of thrombosis. When is IVC filter appropriate? What is the growing role of thrombolysis and venous stent placement.
- How is hemolytic anemia associated with an increased risk of thrombosis?
- The association of thrombosis with cancer has been recognized for over 150 years. What is the current understanding of pathophysiology and management?
- Understand mechanisms by which mutations within cancer cells activates the coagulation system.

Faculty

MSK COURSE DIRECTOR

Gerald A. Soff, MD

Chief, Hematology Service
Co-Director, Hematology-Oncology Fellowship

MSK COURSE FACULTY

Simon Mantha, MD, MPH

Associate Attending
Hematology Service

Ellinor Peerschke, MD

Vice Chair, Department of Laboratory Medicine
Attending
Hematology Service

Ernesto Santos, MD

Attending
Interventional Radiology Service

INVITED FACULTY

Henny H. Billett, MD

Chief, Division of Hematology
Professor of Medicine and Pathology
Albert Einstein College of Medicine
& Montefiore Medical Center

Agenda

8:00 AM	Registration & Breakfast
9:00 AM	DOACs, Status Gerald A. Soff, MD
9:45 AM	Coagulation Testing: Including Test for DOACs and DOAC Effects on Common Coagulation Testing Ellinor Peerschke, MD
10:30 AM	Coffee Break
11:00 AM	Interventional Radiology in the Setting of Venous Thromboembolism Ernesto Santos, MD
11:45 AM	Hemolysis and Thrombosis Henny H. Billett, MD
12:30 PM	Lunch Break
1:15 PM	Cancer Associated Thrombosis Gerald A. Soff, MD
2:00 PM	Cancer Genomics and Coagulation Simon Mantha, MD, MPH
2:45 PM	Case Discussion All Faculty
3:30 PM	Symposium Adjourn

CAREER FAIR

There will be a career fair for participants during this course from 10:30 am-1:15 pm, featuring recruiting agencies and local hospitals recruiters. Participants are encouraged to bring their CV to the course and visit the career fair during breaks.

REQUEST FOR CASE SUBMISSIONS

When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a BRIEF summary of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible.

Submission deadline: September 7, 2018

Registration

Registration Fees	
Physicians (MDs, PhDs and DOs)	\$125
Residents, Fellows, Advanced Practice Providers, Nurses and Other Healthcare Providers	\$100
Industry Professionals*	\$575

***Industry Professionals** may attend CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

Register Online: mskcc.org/ThrombosisCourse

Registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary needs.

- **30% Discounted Rate for MSK Alumni and MSK Alliance Members:** MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a CME course. Please contact cme@mskcc.org for a promotion code or more information.
- **MSK Staff Registration:** Registration is complimentary for MSK staff. However, you must register online: mskcc.org/ThrombosisCourse

Accreditation Statement

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement

MSK designates this live activity for a maximum of **6.50 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **6.50 Medical Knowledge MOC Points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

Symposium Location

Memorial Sloan Kettering Cancer Center
Mortimer B. Zuckerman Research Center
417 East 68th Street
New York, NY 10065

Accommodations

MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the area of MSK with discounted rates, please visit: mskcc.org/cme
