7th Annual State-of-the-Art in Thrombosis & Hemostasis Symposium

SEPTEMBER 16, 2018

INCLUDES A CAREER FAIR & REQUEST FOR CASES

ZUCKERMAN RESEARCH CENTER
417 EAST 68TH STREET
NEW YORK, NY 10065

Memorial Sloan Kettering Cancer Center
Overview

This course is designed to provide an important annual educational forum for Hematology and Oncology doctors. The ultimate objective of this activity is to enhance physician understanding of the disease state and treatment advances for the benefit of patients. This course is intended for hematology/oncology practitioners, fellows, advanced practice providers and other healthcare professionals in the field.

CAREER FAIR

There will be a career fair for participants during this course from 10:30 am-1:15 pm, featuring recruiting agencies and local hospitals recruiters. Participants are encouraged to bring their CV.

REQUEST FOR CASE SUBMISSIONS

When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a BRIEF summary of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible. Submission deadline: September 7, 2018

SYMPOSIUM OBJECTIVES

• Understand the current standard of care for use of the direct oral anticoagulants (DOACs). What is their safety and efficacy profiles?
• Understand the evolving role of coagulation testing in diagnosing and managing coagulation disorders. This includes the effect of the DOACs on routine coagulation tests, and what is the role for testing for levels of the new generation of anticoagulants.
• How can Interventional Radiology be best utilized for management of thrombosis. When is IVC filter appropriate? What is the growing role of thrombolysis and venous stent placement.
• How is hemolytic anemia associated with an increased risk of thrombosis?
• The association of thrombosis with cancer has been recognized for over 150 years. What is the current understanding of pathophysiology and management?
• Understand mechanisms by which mutations within cancer cells activates the coagulation system.

Faculty

MSK COURSE DIRECTOR

Gerald A. Soff, MD
Chief, Hematology Service
Co-Director, Hematology-Oncology Fellowship

MSK COURSE FACULTY

Simon Mantha, MD, MPH
Associate Attending
Hematology Service

Ellinor Peerschke, MD
Vice Chair, Department of Laboratory Medicine
Attending
Hematology Service

Ernesto Santos, MD
Attending
Interventional Radiology Service

INVITED FACULTY

Henny H. Billett, MD
Chief, Division of Hematology
Professor of Medicine and Pathology
Albert Einstein College of Medicine & Montefiore Medical Center

*Industry Professionals may attend CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

**Register Online:**

[mskcc.org/ThrombosisCourse](mskcc.org/ThrombosisCourse)

Registration includes continental breakfast, lunch, and refreshment breaks. Please contact [cme@mskcc.org](mailto:cme@mskcc.org) at least one week prior to the course if you have any special dietary needs.

- **30% Discounted Rate for MSK Alumni and MSK Alliance Members:** MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a CME course. Please contact [cme@mskcc.org](mailto:cme@mskcc.org) for a promotion code or more information.
- **MSK Staff Registration:** Registration is complimentary for MSK staff. However, you must register online: [mskcc.org/ThrombosisCourse](mskcc.org/ThrombosisCourse)

**Accreditation Statement**

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

MSK designates this live activity for a maximum of 6.50 AMA PRA Category 1 Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Faculty Disclosure**

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
