# 9<sup>th</sup> Annual State-of-the-Art in Thrombosis and Hemostasis Symposium

New 2020 Symposium Topics • Request or Case Submissions

Memorial Sloan Kettering  
Cancer Center

# 9<sup>th</sup> Annual State-of-the-Art in Thrombosis and Hemostasis Symposium

## OVERVIEW

**This course is designed to provide an important annual educational forum for Hematology and Oncology doctors.** The ultimate objective of this activity is to enhance physician understanding of the disease state and treatment advances for the benefit of patients.

The target audience for this symposium includes hematology/oncology practitioners, fellows, advanced practice providers and other healthcare professionals in the field. MSK CME is pleased to offer complimentary registration for residents and fellows (please see registration details for more information).

## EDUCATIONAL OBJECTIVES

- Review the recent scientific updates in the diagnosis and management of hemorrhagic disorders.
- Review the recent scientific updates in the diagnosis and management of thrombotic disorders.
- Review the recent scientific updates in the area of platelet disorders, including Immune Thrombocytopenic Purpura, Chemotherapy-Induced Thrombocytopenia, Thrombotic Microangiopathy, and anti-platelet therapy.

### MSK COURSE DIRECTOR

**Gerald A. Soff, MD**

Chief, Hematology Service

Co-Director, Hematology-Oncology Fellowship

Memorial Sloan Kettering  
Cancer Center

**Complimentary Registration  
Available for Residents and Fellows**  
(refer to registration page for details)

# New Live Virtual Experience

We are excited to announce that this course will now be delivered as a virtual experience. By registering for the live virtual course, you will be able to **view presentations, hear live audio, and interact online.**

**All sessions presented live on Sunday, October 13, will be recorded and made available to attendees for viewing after the course.** CME and ABIM MOC credit will be offered for this course and a certificate will be available after a post-course evaluation is complete.

This new live virtual course will be fully web-based, so all you will need is a computer, phone, or tablet and an internet connection. Access details will be emailed to all attendees before the course.

Please note that MSK CME is closely monitoring the evolving situation and if in-person attendance for this course becomes available, attendees will have the option to switch registration from virtual to in-person.

---

## Symposium Topics

**New Innovations in Bleeding Disorders**

**New Innovations on Thrombotic Disorders**

**The COVID19-Related Coagulopathy - Pathophysiology and Management**

**Coagulation Changes with MPN and Hematologic Malignancies**

**Thrombotic Microangiopathy**

**Platelet Focus Symposium**

**Thrombocytopenia (not all thrombocytopenia is ITP)**

**ITP**

**Chemotherapy-Induced Thrombocytopenia**

## Request for Case Submissions

When you register, you will have an opportunity to submit a case for discussion during the course. Case discussions will be held at the end of the day. Visit **[mskcc.org/thrombosiscourse](https://mskcc.org/thrombosiscourse)** for details.

# Symposium Schedule\*

All times are Eastern Standard Time (EST)

8:45 AM	Virtual Course Check-in
9:00 AM	<b>Introductory Remarks</b>
9:10 AM	<b>New Innovations in Bleeding Disorders</b>
10:00 AM	<b>New Innovations on Thrombotic Disorders</b>
11:00 AM	Break
11:15 AM	<b>The COVID19-Related Coagulopathy - Pathophysiology and Management</b>
12:00 PM	<b>Thrombotic Microangiopathy</b>
12:45 PM	Lunch Break
	<b>Platelet Focus Symposium</b>
1:30 PM	<b>Thrombocytopenia (Not All Thrombocytopenia is ITP)</b>
2:15 PM	<b>ITP</b>
3:00 PM	<b>Chemotherapy-Induced Thrombocytopenia</b>
3:45 PM	<b>Case Discussions</b>  <b>Request for Case Submissions:</b> When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a brief summary of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible.
4:30 PM	<b>Closing Remarks</b>
4:45 PM	Adjourn

---

\*Program topics subject to change; a complete faculty list will be available soon.

## Register online: [mskcc.org/thrombosiscourse](https://mskcc.org/thrombosiscourse)

### Virtual Course Registration Fees

Physicians (MDs, PhDs and DOs)	\$125
Advanced Practice Providers, Nurses and Other Healthcare Providers	\$100
Industry Professionals*	\$215

\*Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

### Complimentary Registration for Residents and Fellows

Please submit a letter of support from your program director in order to receive complimentary registration. Visit [mskcc.org/thrombosiscourse](https://mskcc.org/thrombosiscourse) for details.

### Registration Discounts/Promotions

- MSK CME offers a discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners. If you are a member of one of these groups, please contact [cme@mskcc.org](mailto:cme@mskcc.org) for more information.
- MSK employee registration is complimentary. However, you must complete course registration in order to attend this course. If you are registered for this course and are unable to attend, please email [cme@mskcc.org](mailto:cme@mskcc.org).

**By registering for the live virtual course, you will be able to view presentations, hear live audio, and interact online.** All sessions presented live on Sunday, October 18, will be recorded and made available to attendees for viewing after the course. **CME and ABIM MOC credit will be offered** for this course and a certificate will be available after a post-course evaluation is complete. This new live virtual course will be fully web-based, so all you will need is a computer, phone, or tablet and an internet connection. Access details will be emailed to all attendees before the course.

## Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **6.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **6.75 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
