2019

8th Annual
State-of-the-Art in
Thrombosis and Hemostasis
Symposium

Sunday,
September 15

Zuckerman Research Center
417 East 68th Street
New York, NY
8th Annual State-of-the-Art in Thrombosis and Hemostasis Symposium

This course is designed to provide an important annual educational forum for Hematology and Oncology doctors. The ultimate objective of this activity is to enhance physician understanding of the disease state and treatment advances for the benefit of patients.

This course is intended for hematology/oncology practitioners, fellows, advanced practice providers and other healthcare professionals in the field.

Educational Objectives

• Learners will become familiar with the state-of-the-art science and treatment of hematologic complications of pregnancy
• Learners will become familiar with the state-of-the-art science of the diagnosis and management of acute hemorrhagic diseases
• Learners will become familiar with the state-of-the-art science and management of hemorrhagic complications of anticoagulation

Request for Case Submissions

When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a brief summary of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible.

Live Simulcast Available to MSK Cancer Alliance Members

We are pleased to offer our MSK Cancer Alliance members a live simulcast option for this course. CME and ABIM MOC credit is offered for the live simulcast and active participation is required throughout the course.

Register online: mskcc.org/ThrombosisCourse
MSK Course Director

Gerald A. Soff, MD
Chief, Hematology Service
Co-Director, Hematology-Oncology Fellowship

Invited Course Faculty

Lisa M. Baumann Kreuziger, MD, MS
Associate Medical Director
BloodCenter of Wisconsin
Assistant Professor
Division of Hematology and Oncology
Medical College of Wisconsin

Maria T. De Sancho, MD, MSc
Associate Attending Physician
NewYork-Presbyterian Hospital
Associate Professor of Clinical Medicine
Weill Cornell Medical College, Cornell University

Lindsey A. George, MD
Attending Physician
Division of Hematology
Children’s Hospital of Philadelphia

Nicole Kucine, MD, MS
Assistant Attending Pediatrician
NewYork-Presbyterian Hospital
Assistant Professor of Pediatrics
Weill Cornell Medical College, Cornell University

MSK Course Faculty

Simon Mantha, MD
Associate Attending
Hematology Service

Jodi Mones, MD
Associate Attending
Hematology Service

Rekha Parameswaran, MD
Associate Attending
Hematology Service

*Request for Case Submissions*

When you register, you will have an opportunity to submit a case for discussion during the course. In order to prepare your submission, we ask that you provide a *brief summary* of your case and include key lab results. Please ensure that all identifiable PHI has been removed. Cases should have an educational purpose. The course faculty will not be able to provide a detailed/complex consult review during the course and they will try to get through as many cases as possible.
ACCREDITATION

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Credit Designation Statement
Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.00 Medical Knowledge MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Faculty Disclosure
It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
